NORTH INDIA"**
as per India Today May 2019

Rank among
**"OUTSTANDING ENGINEERING
COLLEGES OF EXCELLENCE"**
as per CSR-GHRDC Engg. Inst. Survey 2018

Awarded as
"1st Rank in Southern Rajasthan"
as per QIV 2019-20, 2018-19, 2017-18
by RTU, Kota

Awarded as
**"TIMES EDUCATION ACHIEVERS-
BEST ENGINEERING COLLEGE"**
by Times of India in 2017

A Glimpse of the Geetanjali Group

1989 onwards 2002

1989

Establishment of Pacific unit in Udaipur

1995

Establishment of Bangalore Unit.

1998

Foundation of Ojaswi Marble in Katni (known for its Beige Color Marble all over India)

2002

Establishment of Geetanjali Institute of Technical Studies the oldest engineering college in Rajasthan.

2007

Geetanjali Hospital in Udaipur with 1100 beds was established.

2008

Opening of Geetanjali Medical College in Udaipur.

Geetanjali Institute of Technical Studies popularly known as GITS, was established in the year 2002 with the aim of providing quality & contemporary technical education to the aspiring students keeping in view the needs and challenges of the third millennium. This is one of the oldest and premier colleges of Rajasthan. Geetanjali Institute of Technical Studies (GITS) is approved by All India Council of Technical Education (AICTE), & Government of Rajasthan and affiliated to Rajasthan Technical University (RTU), Kota.

FROM THE DESK OF PROMOTERS

Geetanjali Institute of Technical Studies is committed to build a pleasant learning atmosphere to create an intellectual academic community where we promote freedom of thought, innovation and creativity which are essential for academic brilliance.

Our emphasis on holistic development of students is evident from our placement records & alumni growth.

Shri JP Agarwal
Chairman

Shri Kapil Agarwal
Vice Chairman

Shri Ankit Agarwal
Executive Director

2011

Opening of
Geetanjali University
in Udaipur.

2011

Foundation of
Pacific Exports
at Jabalpur M.P.
(Extracting of
Iron Ore under
Pacific Exports)

2013

Installation of
Gasper Multi Wire
in Bangalore Unit.

2014

Establishment of
Geetanjali Dental
and Research
Institute in Udaipur,
Rajasthan.

2017

Installation of
Breton Multi Wire
in Udaipur Unit.

2018

Establishment of
Taanj Quartz Plant
in Udaipur

FROM THE DESK OF DIRECTOR'S

"Action is the foundation of success." We seek to impart quality education with a positive perspective. In engineering, management, & computer application most important is to focus on acquiring a variety of skills, including technical competence, communication skill, leadership skill, & team work to be successful. Our placement record are testimony to our legacy & success story of our students.

Dr. Vikas Misra
Director, GITS

Dr. P.K. Jain
Director, MBA

Shri B.L. Jangir
Finance Controller

VISION

To achieve excellence in technical and management education through quality teaching, research and innovations.

MISSION

To provide a conducive environment to produce socially responsible and productive professionals.

COURSES OFFERED & ADMISSION PROCEDURE

Bachelor of Technology (B.Tech)

- Civil Engineering
- Electronics & Communication Engineering
- Computer Science & Engineering
- Mechanical Engineering
- Electrical Engineering

Admission in B.Tech programme is through counseling process announced by State Government, on the basis of rank scored in JEE (Mains.)

Eligibility: At least 45% marks in Physics, Chemistry & Maths (40% in case of candidate belonging to reserved category) of 12th Standard.

B.Tech Lateral Entry 2nd Year

Admission in B.Tech 2nd year programme is through counseling process announced by State Government, on the basis of Diploma to Degree.

Eligibility: Diploma/B.Sc. (Mathematics) with 45% marks (40% in case of candidate belonging to reserved category)

Master of Technology (M.Tech)

- Computer Science & Engineering
- Industrial Engineering & Management
- Digital Communications
- Power Systems

Admission in M.Tech Programme is through counseling process announced by RTU CAM.

Eligibility: BE/B.Tech in relevant discipline with at least 55% (6.25 CGPA on 10 points scale) and 50% (5.75 CGPA on 10 point scale) in case of SC/ST or MCA/M.Sc. with valid GATE score.

Master in Business Administration (MBA)

Admission in MBA programme through counseling on the basis of rank scored in Common Management Aptitude Test (CMAT).

Eligibility: The candidate should have graduation degree in any subject with at least 50% marks in aggregate (45% in case of candidate belonging to reserved category).

Master in Computer Applications (MCA)

Admission in MCA programme is through counseling process announced by RMCAAT.

Eligibility: The candidate having mathematics as one subject in class 12th/graduation, with graduation degree (Minimum 3 years duration) in any subject with at least 50 % marks in aggregate (45% in case of candidate belonging to reserved category).

MCA Lateral Entry (2nd Year)

Admission in MCA 2nd year programme is through counseling process announced by State Government.

Eligibility: The candidate having mathematics as one subject in class 12th/graduation, with BCA/ B.Sc. (I.T.)/ B.Sc. (Computer Science) degree with at least 50 % marks in aggregate (45 % in case of SC/ST and Non creamy layer OBC/SBC of Rajasthan State).

RTU Approved Center of Excellence

Doctorate in Philosophy (Ph.D)

- Management
- Computer Science & Engineering

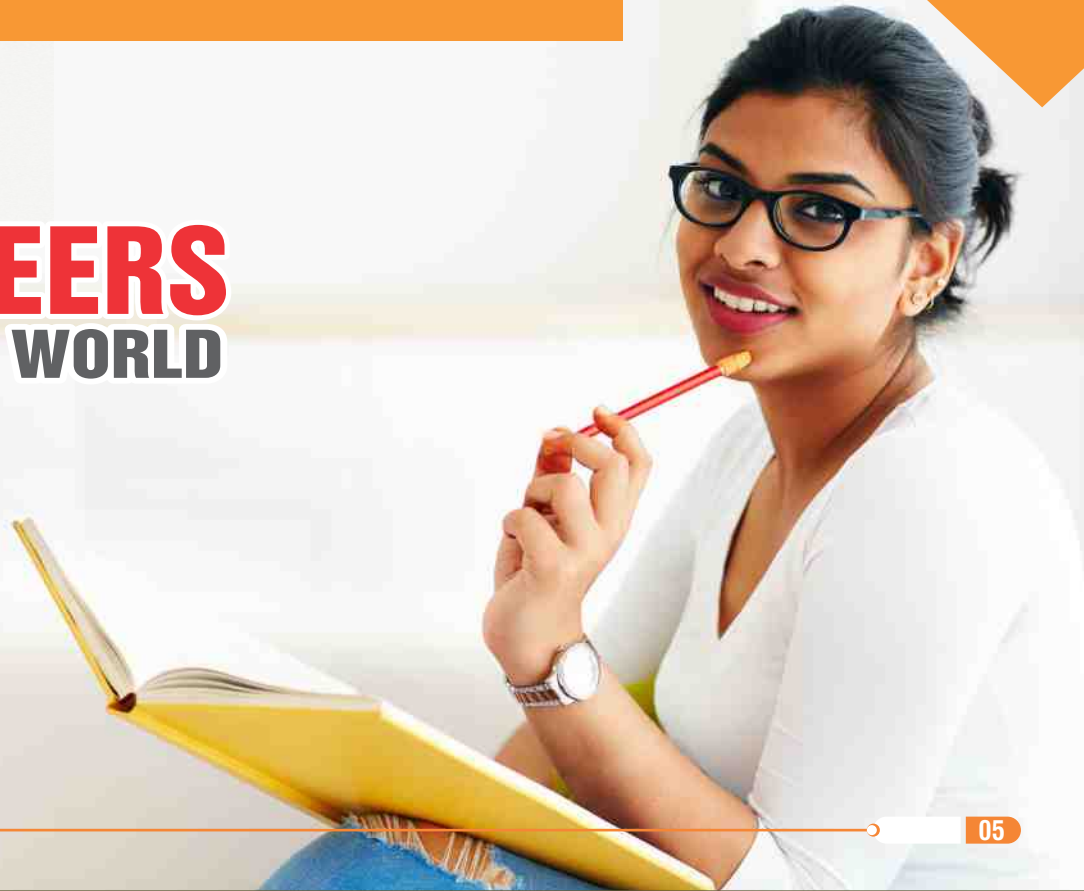

Admission in Ph.D. is through counseling process announced by RTU, DAT.

Eligibility: 55% marks in Post-Graduation (General Category) & 50% for Reserved Category.

ACADEMICS

TEACHING METHODOLOGY

Our teaching methodology is a mix of lectures, seminars, labs and live projects to develop conceptual learning among students. Industrial visits and lectures by experts enhance their practical exposure. Importance is given to projects & research, industry interaction and placement.

FACULTY

GITS is uniquely positioned with experienced and dedicated faculty members, highly accomplished visiting faculty with international reputation, providing for a relentless approach in pursuit of excellence. Academicians and professionals from industries and business groom the students.

500+ Research papers & 150+ Dissertations published in National & International Journals

100+ Projects funded by Department of Science & Technology (DST) are successfully completed.

BEYOND CLASSROOMS

Beyond curriculum we believe in providing environment where students are transformed as global resources.

GITS stands at the forefront to mark its student's footprints on the ground of experience by associating with renowned organizations like Thermax Ltd., USAID & NIUA etc.

An International Seminar on "Multidisciplinary Challenges & Opportunities in Smart Nano-Grids & V2G" keynote speaker Dr. Akshay Kumar Rathore (Professor in the Department of Electrical & Computer Engineering in Concordia University, Canada).

International Workshop on "Building Web Applications Using AWS" keynote speaker Mr. Sanket Dangi, Head Managed Services, REAN CLOUD USA.

International Seminar on "DESIGN OF CANTILEVER SHEET PILE" keynote speaker Dr. Y.K. BIND (PROFESSOR)

BEYOND CLASSROOMS

International Seminar on Opportunities in Salesforce by Ms. Ashley, Salesforce Consultant, Houston, USA.

GITs students won 1st position in National Level Technical Championship **BUILD A-THAN 2019** organized at JK Lakshmi University, Jaipur by designing Waste Management System.

International Seminar on Communication Complexity by Dr. Rahul Jain, National University of Singapore, Singapore.

GITs students had developed the 3D printer for designing & prototyping the physical objects.

Workshop on "DESIGN THINKING" conducted in collaboration with Wipro-GE Healthcare.

Mr. Benjamin James (HR Leader GE Health Care, Commercial South Asia) & Mr. Amit Agarwal (Business Manager GE Health Care) visit at GITs campus for recruiting professional trainees.

SPOC Felicitation Workshop organized with IIT-Kharagpur. Dr. Satyaki Roy, National Coordinator NPTEL with participants.

GITs organized India's biggest Software Hackathon-2019 in association with Ministry of Human Resource Development and AICTE-New Delhi.

GITs felicitates academic excellence and NPTEL topper Students.

GITs team of student has been awarded as **BEST TEAM** at 70 hrs. internship on Automotive Styling Boot Camp in Bangalore.

GITs students participated in National level competition at IIM-Calcutta.

GITs students have attended short term training programme on Designing and Manufacturing of Electric Solar Vehicle at Jaipur.

Culture at GITS

adani

Adani Wilmar Limited (AWL) is a joint venture incorporated in January 1999 between Adani Group- the leaders in private infrastructure and Wilmar International Limited - Singapore, Asia's leading Agri business group. The Adani group was created with a vision of 'Nation Building' by developing assets of national economic significance. Wilmar International Limited - Singapore, businesses include oil palm cultivation, oilseed crushing, edible oil refining, sugar milling and refining, specialty fat, oleo chemical, biodiesel and fertilizer manufacturing and grain processing. It has over 450 manufacturing plants and an extensive distribution network covering China, India, Indonesia and some 50 countries.

Aman Jha

Vikram Singh Kitawat

Rajendra S. Panwar

Dhruvil Dave

Throughout my 4 years of engineering at GITS, I had countless opportunities to develop my skills, soft skills & technical knowledge. This college and faculties from 1st Year to 4th year are very supportive. This college helped with my placement in GKM-IT Pvt. Ltd. Udaipur.

Deependra Gadwal

Thank you to all my 4 years' teachers who taught me everything. Now I feel proud to be the part of GITS as a BYJU's employee. GITS has provided me this platform.

Ankit Jagan

Overall it was a great experience. Through the 4 years, faculties were cooperative, ready to give extra time to clear our doubts. Got to learn a lot during this time; I got sufficient time and chances to learn extra beyond the course curriculum.

Arpit Kumawat

Throughout my 4 years of engineering at Geetanjali Institute Technical Studies, I learned to live a purposeful life from all the teachers. It is the best college where I learned a lot. Today I am placed at Adviya Solutions Pvt. Ltd. I am thankful to all my teachers for this support and wishes.

GITS STUDENTS WORKING AT IT Multinationals

I got placed at TCS due to the mentoring and efforts of our faculty and Training and Placement Cell, which always make sure that students get placed in the best company in the market. GITS during our four years provides In-House training in latest technologies which helps us to stay updated in what is happening in the Industry. The Projects and workshops enable the students to train ourselves not just theoretically but in many practical aspects too.

Rituparna Das

students placed in
TOP IT MNC's

College has helped me transform from a computer enthusiast to an IT professional. GITS is not just a college but a source of opportunities that helped me develop an all-round personality because we were always encouraged to take initiative and participate in co-curricular and extra-curricular activities. I owe a lot to the College and its people for the success I have achieved so far.

Ronak Jain

I am very glad to share my positive four-year journey at GITS during my B.Tech. (CSE). The vibrant atmosphere is full of motivation and innovation with enthusiastic and ever-helpful faculty members. During the college, apart from studies, I could participate in many trainings in contemporary software and applications that fortified me to apply in the industry. With the support of CDC & Training and Placement Cell I applied to many MNCs and finally got placed in TCS. Once again, Thank you GITS.

GE Healthcare

a unit
(World's Leading Multinational Corporation)

Accredited Partner for **Training & Placement** (Centre of Excellence)

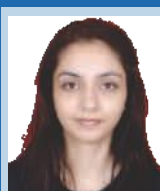

Headquartered in the United Kingdom, GE Healthcare a unit of General Electric Company continuously develops innovations focused on reducing costs, increasing access and improving quality around the world. Their expertise in medical imaging and information technologies, medical diagnostics, patient monitoring systems, drug discovery, biopharmaceutical manufacturing technologies, performance improvement and performance solutions services help customers deliver sustainable healthcare systems.

Engineering at GE is about facing challenges and designing innovative solutions that support GE's industrial businesses within high-growth markets around the world. From field service engineers and application engineers, GE offers world-renowned training with business roles and opportunities to build foundational technical and professional skills with hands-on rotational assignments, projects, and intensive technical and leadership skills training.

An internship at GE gives opportunities to learn and collaborate on exciting projects, not only with talented peers, but with top leaders in technical field that spurs innovations to solve real-world challenges.

Vibha Purohit

ALUMNI SPEAK

I believe that there are very few colleges that provide the kind of mixed educational structure that students receive at GITS. The faculty, staff, and classmates helped me to become well rounded, confident person.

There I performed well not only academically but was trained for leadership roles as well. I thank GITS again for helping me enter the corporate world and shaping a bright future with my placement in World's leading Brand. It has been the first step for achieving excellence in my personal and professional life. I wish the students of GITS a bright and promising future.

Abhilasha Jangid, Associate Manager, **Myntra Jabong Pvt. Ltd.**

My 4 years at GITS were a great experience! I learnt a lot during this time apart from curriculum from the cooperative and helpful faculty.

Mukesh Nath

The Memorandum of Understanding between Thermax Limited and Geetanjali Institute of Technical Studies intended to promote special education and employment enhancing technical skills for engineering students from the Mechanical, Electrical and Electronics & Communication (ECE) disciplines especially catering to Power Plant Engineering.

About Thermax Limited:

Thermax Group headquartered in Pune, India is an INR 4,602 (750 million US\$) crore engineering company providing solutions in the areas of energy and environment. They operate globally through 27 International offices and 14 manufacturing facilities - 8 of which are in India and 6 overseas. The group consists of 7 wholly-owned domestic subsidiaries, 21 wholly-owned overseas subsidiaries and 1 joint venture.

Thermax's energy efficient and eco-friendly technologies offer reliable business-to-business partnerships to respond to critical challenges by tuning to the needs of the day, with innovative, energy-efficient, environment-friendly and easy to operate superior offerings and community goodwill.

Their presence spans 86 countries and supports its customers through an extensive sales & service network spread over Asia, Middle East, Africa, Russia, UK, Denmark, Germany, USA and South America.

Purpose of the MoU is to collaborate with Thermax for promoting training programmes whereby Thermax Limited commits to provide placements support and Internships, along with project support that include:

- ✓ Technical upgradation through trainings, seminars/ workshops on latest technologies relevant to modern industries.
- ✓ Free Internship for final year engineering students
- ✓ Arranging faculty development program
- ✓ Support in campus recruitment & pre-placement training as and when required for B. Tech. students.

The Programme is intended to give students the opportunity to be exposed to an industry-environment at Thermax or at a vendor's location, under the guidance of experts during their final year of the academic tenure.

Transport Corporation of India (TCI group) is India's leading integrated multimodal logistics service provider, TCI has been setting new benchmarks and driving excellence in logistics and supply chain for nearly 6 decades, thereby moving 2.5% of India's GDP by value.

With expertise spanning over six decades and infrastructure comprising an extensive network of 1400+ company-owned offices, 12 million sq. ft. of warehousing space, a strong team of 6000+ trained employees and a strong foundation, TCI group has expanded boundaries to offer seamless multimodal transportation solutions in both Indian and International markets. Equipped with highly advanced modern technology, encompassing various walks of life and fields of work and innovative business solutions, TCI is a flag-bearer in the arena of logistics for trade and commerce, and is fully poised to leverage the new age technology to reach even newer horizons.

Campus Recruitment and Internship

TCI continuously engages with our young minds through its campus programme. Career conscious young blood, with fire to prove their mettle, adoptive to challenging situations, open to move around are provided work opportunities. Students from business schools are engaged to work on live projects on various aspects of supply chain and logistics. This gives opportunity to students to apply their college learning in actual live situation and understand corporate work culture from across the industry verticals.

Advaiya ("non-dual" in Sanskrit) is about oneness in apparent dichotomies, ending the dualities and divisions which restrain technology's potential. They consciously attempt to see beyond the divisions-different technologies, various applications, many business processes and, ultimately, the division of technology and business - to uncover the underlying oneness. Advaiya implements and helps adopt technology solutions which allow businesses to mature-harnessing the power of technology. They offer increased productivity, smoother work management and better decisions through their products and services. With power of cloud, they make available enterprise level innovation and tech enablement, allowing growth minded companies use right technologies quickly.

As opposed to a one time implementation, the MoU between GITS and Advaiya is an initiative implemented on multiple levels via collaboration with academia through Train-the-Trainer programmes, course curriculum review, and internship for students, technology updates, support in research projects and software development. Training faculties in Computer Applications and Information technology to design world-class curriculum capable of delivering high calibre IT skills required in the fast changing IT marketplace. As a placement partner, Advaiya recruits skilled engineering talent from the trained and available pool of students each year through our Campus Placements process.

ALUMNI SPEAK

“

The management and faculty at GITS support the students in academics as well as personal life. My four years at GITS has helped me develop my soft skills, cultural skills, Entrepreneurial abilities by nurturing my innate talents. GITS has been a stepping stone for building not just my career but my personality too.

>>>

Rahul Prasad, Sr. Engineer, G R Infraprojects Ltd.
