Career Development: The thrust area at GITS

With the vision of providing quality education in engineering and management, GITS emphasis overall development of the students. With the Outcome Based Education approach, the attainments are reflected by the acceptability of our students in the industry. For making the students suitable for large spectrum of industry as well as promoting entrepreneurship and appetite for further learning, the institute is following a policy of continuous training in the areas of weakness and guiding students in selecting and building a successful career.

At GITS, a Career Development Centre (CDC) is created under Training and Placement Office. In the Training & Placement Department of the Institute, we not only focus on the training and providing suitable opportunities, but also help and develop the career of the students irrespective of any specific stream and provide the best platform for their **Employability and Skill Enhancement**.

TRAINING

Career Development Centre (CDC) for providing training and guidance to students on career related matters and assist them in exploring new opportunities and to support the students for their personality development and placements On/Off Campus. It is intended primarily to assist students in their career planning and provides information that helps the students to give a direction to their aspirations and interests. The student's desires and abilities are evaluated individually and are advised the way forward accordingly. The cell arranges training sessions that augment the students to compete with the challenges in the industry. Career counselling programs are undertaken periodically by the placement coordinator to guide the students. The institution also adopted the mentoring system where a

teacher provide guidance to 20-25 students, maintaining a close liaison and providing the career guidance, counselling and academic support. The system has been found useful and the majority of students taken advantage of such guidelines.

Interactive sessions by the eminent persons with rich industry experience in respective fields are conducted regularly. Professionals are also hired for sharpening skills required for employability like communication, personality development and grooming, aptitude and technical knowledge and awareness. Mock interviews are organised by CDC for all students who are shortlisted by companies for final interview. Also, technical trainings are provided to all the students before every placement drive by the senior faculty of the departments to refresh their knowledge about all areas of the discipline learned in earlier years. Each department has been made to prepare FAQ with answers so that students can prepare well before interviews.

The CDC has been organizing career guidance talks, inviting experts from the various institution or the counsellor and counsel them for higher studies; motivate them to take GRE, GATE, CAT, TOEFFL, etc; guide for online exam (AMCAT, Cocubes, Mettl) conducted for all students from first year to enhance competency provide guidance for admission and scholarship for higher studies in world renowned University. For supporting them, online platform ‘GATEtutor’ has been subscribed by the institute for self-learning and preparing for GATE.

PLACEMENT

The placement activities in the institution has been very impressive as good percentage of eligible students are being provided with placement offers through campus placements. The Placement Cell facilitates the process of campus placement of its students by collaborating with leading organizations and institutes in setting up of internships and training programs. The Cell strives to bring recruiters and student aspirants together through campus interviews and also helps students in finding organisations to complete their summer internships/projects. Leveraging its strong links with corporate entities, the cell also lends a hand in securing short-term assignments for students in organisations. The cell, also, maintained the record of the placement and progression in education of all the students during the report period.

The cell invites companies for campus interviews and provide them necessary facilities for conducting written test, Group discussion, Technical and HR interview etc. as well as arrange industrial visit and training for final year and pre-final year students. The necessary infrastructure provided are:

Office

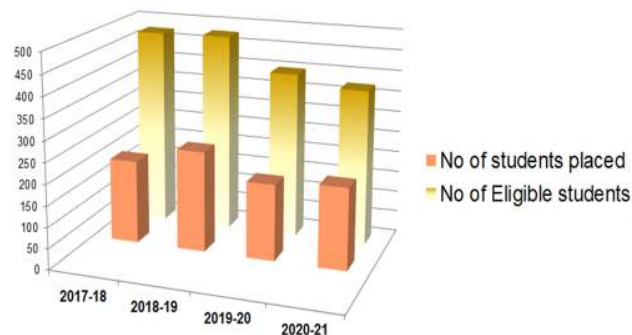

Auditorium

Seminar Halls

Rooms for GD

Interview rooms

Computer labs for online tests

INDUSTRY PARTNERSHIPS

Few Initiatives we have adopted to fill the gap in between **industry and academia:**

GITS - IAAB (Industry - Academia Advisory Board)

- For students Career Development we have signed more than 14+ MoU with leading corporates with the name of Training & Placement Support Programme.
- The only institute in North, East and Central India accredited by USA based MNC 'GE Healthcare' for Training & Placement of our engineering students. GE Healthcare has set up their 'Centre of Excellence' at GITS worth Rs. 80 Lac.
- The only institute in North India and second in India to collaborate with Thermax India Ltd. to train B.Tech students as industry- ready professionals for assured placements.
- The third and the only self-financed institute in India to collaborate with NIUA (Autonomous Organization under Ministry of Urban Affairs, Government of India) to establish WASH Labs at GITS for innovative implementation of the Smart City Project.
- The only institute in Rajasthan to sign MoU with SIEMENS India, THERMAX Ltd., Pacific Industries Ltd., and PYROTECH Electronics Pvt. Ltd. to provide technical training of Civil, Mechanical and Electrical Engineering by setting up 'Center of Excellence'.
- GITS signed an MoU with the leading IT MNCs Advaiya and GKM-IT for Training & Placement Support Programme of B.Tech (CSE) and MCA departments.
- Accredited partner with Wipro Ltd. for campus recruitment in all the institutions of south Rajasthan.
- The only Training & Placement partner with Transport Corporation of India (TCI Group) in Rajasthan.

- The only institute in Rajasthan to have a tie-up with Adani Wilmar Ltd. & Adani Gas Ltd. for campus interview.

Annual Report for Career Development Centre (2017-2020)

The Career Development Centre at GITS provides numerous avenues for training and personality development programmes to help students in identifying career options, career opportunities and career advancement. The department conducts regular in-house trainings and workshops to enhance the employability of the students and to bridge the industry-academia gap. Along with in-house training programmes we have collaborated with other Training and Assessment Partners like CoCubes.com and signed MoU for Training and Placement Support programmes, Industry-Institute Interaction, Seminars, and Expert Talks. We have Training and placement programme MoUs with GE-Healthcare (set up a Centre of Excellence at GITS), Thermax India Ltd., V2 Solutions Inc., for training, internship and placement support to our students ensuring industry-ready professionals and assured placements.

The department offers students insights on emerging technologies and advancements in the industry through National –Level Seminars, National-Level Workshops, Conferences and Expert Talks by inviting renowned experts to deliver expert lectures and presentations. These co-curricular and extracurricular activities help our students gain strong foothold not only in their respective discipline but in the holistic development of their understanding and personality. We endeavour to give an edge to our deserving and eligible students.

In the Academic year July 2019 to June 2020, the Career Development Centre conducted Seminars and Expert Talks by **Mr. Vinod Birla, VP-V2Solutions, Mr. Sanjay Sharma, VP- HR, Hindustan Zinc, Ms. Kavita Singh, CHRO – Vedanta Group, Mr. Shelendra Singh, AGM-HR, Nuvoco Vistas Corp. Ltd., Dr. NK Sharma, DGM-HRD & CSR, JK Tyre & Industries Ltd., Mr. Madhukar S Dubey, Founder & MD- Fusion Business Solutions (P) Ltd. etc.** With the aim to develop technical and aptitude skills, we organized additional training sessions for entrance exam preparations for GATE, SSB, CAT, etc. after college hours.

Intensive training was provided in personality development and in shaping their leadership qualities. Prior to placement drives, intense training was provided in areas like facing aptitude tests, group discussions and interviews laying emphasis on developing soft skills like communication, presentation, team working, and building positive attitude.

Programmes and Training Sessions conducted from 1st July 2019- 30th June 2020

	15 - Day Summer Training for B.Tech 2nd Year from 31-05-19 to 15-06-19: Training module is designed to supplement your syllabi based academic knowledge and enhance their skills through workshops and training in Aptitude and Soft Skills. Technical & Practical Classes by the concerned department, Aptitude & Reasoning by Mr. Naveen Jain and Ms. Shalini Jain and Professional Comm.- Dr. Deepika Sahu, Ms. Anjali Dhabahi & Ms. Shailja Ranawat.
	10-day Technical & Employability Training for MCA students from 01- 07-19 to 12-07-19 to supplement their syllabi based academic knowledge and enhance their skills through workshops and training in Aptitude and Soft Skills. The Technical & Practical Classes were conducted by Mr. Mukesh Choudhari and Professional Communication and Soft Skills Training by Dr. Deepika Sahu, Ms. Anjali Dhabhai and

	Ms. Shailja Ranawat, Aptitude & Reasoning by Ms. Shalini Jain.
	Specialized Training Module for TCS-NQT Campus Placement Drive for the Final Year students from 2nd July 2019 to 12th July, 2019 . Timings 9:00 PM to 12:00 PM for Technical Training and 1:00PM to 4:00 PM for Aptitude and Verbal Ability Preparation. The trainers for this training module were Technical training in C, DSA and C++ by Mr. Akhilesh Arya, Aptitude by Mr. Naveen Jain and English Verbal Ability by Ms. Shailja Ranawat
	List of students Registered for CoCube Assessment Test. Cir. GITS/CDC/00-19-03 on 22 nd July 2019. AE: 12 students CE: 23 students CSE: 84 students ECE: 13 students EE: 36 students ME: 37 students
	Extended Training for TCS-NQT Campus Placement Drive for the Final Year students from 22nd July 2019 to 31st July, 2019 Timings 1:00 PM to 4:00 PM . The trainers for this training module were Technical training in C, DSA and C++ by Mr. Akhilesh Arya, Aptitude by Mr. Naveen Jain and English Verbal Ability by Ms. Shailja Ranawat
	Special Training Module for B.Tech - CSE and MCA students who cleared the Technical Exam of TCS-NQT and Infosys round will be conducted from 16 th to 23 rd August 2019 to prepare the students for PI and GD rounds . Technical Interview Training by Mr. Akhilesh Arya and General /HR Interview & GD Training by Ms. Shailja Ranawat.
	Placement Training to prepare the B.Tech - Final Year and MCA Final Year students for the AppPerfect Campus Placement Drive from 6 th August 2019 to 13 th August 2019 to be conducted by Mr. Akhilesh Arya and CDC trainers.
	Placement Training Module designed to prepare the B.Tech - CSE /ECE (Final Year) and MCA Final Year (eligibility 60% throughout from Class 10 th onwards) students for the MetaCube Campus Placement Drive from 16 th August 2019 to 23 rd August 2019 to be conducted by Dr. Mayank Patel and Mr. Akhilesh Arya.
	Exclusive Training Module was conducted from 26th August, 2019 onwards for selected Final Year students from B.Tech and MCA and all Final Year Students of MBA . The 60-hour training programme, divided into a 2-hour module each day in 3 slots each was conducted by an external Corporate Trainer Ms. Aruna Srivastava . Slot –A : 9:00 AM – 11:00 AM for CSE, ECE, CE students Slot - B : 11:00 AM – 1:00 PM for EE, ME/AE, MCA Slot – C : 2:00 PM – 04:00 PM for MBA (Final Year)
	Q &A, Verbal Ability and Technical Sessions for preparation of Wipro Ltd . This preparatory session offered the opportunity to students to experience a simulated job interview, enabling them to face an actual interview and improve self-presentation. Duration : from 23rd Sept. 2019 to 18th October 2019 Faculty: Mr. Akhilaeh Arya (CSE), Mr. Naveen Jain (Q&A), Ms. Shailja Ranawat (English).
	Interactive session with CoCubes.com Representatives on 11.09.2019

	<p>An Interactive session was scheduled with the company representatives of Cocubes.com for the eligible students on 11th September 2019, at 11:00 AM.</p> <p>The list of students who attended the session from each department is as follows:</p> <ul style="list-style-type: none"> • Automobile Engineering: 12 students • Civil Engineering: 23 students • Computer Science Engineering: 84 students • Electronics & Communications Engineering: 13 students • Electrical Engineering: 36 students • Mechanical Engineering: 34 students
	<p>Diagnostic Career Test and Pre-Assessment Test – 2019 scheduled for 30th Sept., 1st, 2nd, 3rd October 2019 for Final Year students registered for CoCubes.</p>
	<p>CoCubes Main Pre-Assess Exam on 4th November 2019 conducted by CDC: a total of 129 students participated in the Exam.</p>
	<p>Python Programming Training for CSE – Third year students starting from 2nd December 2019.</p>
	<p>Specialized Training Module from 2nd Jan 2020 to 8th Jan 2020 to prepare B.Tech Final Year students of ECE, EE and ME branch for the Adani Gas - Campus Placement Drive. This training improves the technical skills, quantitative aptitude and soft skills and consequently enhances the chances for recruitment of the students. Training was conducted by the following faculty members:</p> <p>Electronics & Comm. Engg.: Basic Electronics - Mr. Ronak Shrimal; Power Electronics- Ms. Tina Bhati; Microprocessor & Microcontroller - Mr. Saurabh Porwal; PLC/SCADA - Dr.Rajeev Mathur/ Mr. Ronak Shrimal; EMI/Transducer - Ms. Tina Bhati; Digital Electronics - Mr. Saurabh Porwal/ Dr. Vijendra Maury; Project Review - Dr. Rajeev Mathur/ Dr. Anurag Paliwal.</p> <p>Electrical Engg. : EMI – Mr. Kiran K Nagda; Basic EE – Mr. Rameshwar Dewra; Control System – Ms. Shruti Bhadviya ; Basic EE – Mr. Rameshwar Dewra; Control System – Ms. Shruti Bhadviya; Protection – Mr. Uday Kumar; Protection– Mr. Uday Kumar; Power Systems – Dr. Monika Vardia ; Machine – Mr. Irfan Ali; Drives– Mr. Abhishek Sharma; Machine – Mr. Irfan Ali Drives – Mr. Abhishek Sharma.</p> <p>Mechanical Engg. : Thermal – Mr. Narendra Patel; Materials Science & MP - Mr. Lokesh Sharma; Fluid Mechanics – Mr. Mahendra Salvi; MOS / Production – Mr. Sourabh Tege; Design – Mr. Udai Singh Chouhan</p> <p>Aptitude test & Interview/ GD : Mr. Naveen Jain and Ms. Shailja Ranawat</p>
	<p>In-house Specialised Training for GATE Preparation for the 2nd and 3rd Year B.Tech students from Monday, 20th January 2020. The Classes were held from 3:00 PM to 4:00 PM. Attendance records maintained and available on request.</p>
	<p>Specialised Training for Advaiya Placement Drive on 24th and 25th January 2020 - Final year MCA and B.Tech students (CSE/ECE) attended a Specialized Training session to prepare for ADVAIYA Solutions Pvt. Ltd. Placement Drive.</p> <p>Technical Training : Mr. Akhilesh Arya Quantitative Aptitude : Mr. Naveen Jain English Communication & Resume Building: Ms. Shailja Ranawat Mock Interview & GD : Mr. Arvind Singh Pemawat & Ms. Shailja Ranawat</p>

	<p>GITS organized the 3rd Inauguration Ceremony at the commencement of the training session of Thermax Ltd. (India's Largest Boiler Manufacturing Company) under the “Training & Placement Support Program 2020” for students of B.Tech (Electronics & Communication, Electrical & Mechanical branch) on 4th February 2020 at 9.30 AM.</p> <p>The Training programme was conducted from 4th Feb 2020 to 11th March 2020. It was attended by 4 ME and 8 EE students.</p>
	<p>Training for KGK Placement Drive: The final year students registered for the KGK Placement Drive attended a Training Module for GD preparation and Mock Interviews on 6th & 7th February 2020 to enhance knowledge of current affairs, communication abilities and soft skills for the recruitment process.</p>
	<p>A 30- hour Specialized Personality Development and Soft Skills Training was organised all Final Year students (B.Tech and MBA) by the Expert Trainer Colonel MS Rathore, to improve communication abilities and soft skills, starting 2nd March onwards.</p> <p>All interested students and those who did not secured a confirmed placement enrolled for the Training with their respective faculty coordinator of their respective departments. The training schedule was as conducted in 2 slots:</p> <p>1:00- 3:00 pm - B.Tech (ME / AE) & MBA 3:00 – 5:00 pm - B.Tech (CE, ECE & EE)</p>

Annual Report for Career Development Centre for the year 2019-2020

The Career Development Centre at GITS provides numerous avenues for training and personality development programmes to help students in identifying career options, career opportunities and career advancement. The department conducts regular in-house trainings and workshops to enhance the employability of the students and to bridge the industry-academia gap. Along with in-house training programmes we have collaborated with other Training and Assessment Partners like CoCubes.com and signed MOU for Training and Placement Support programmes, Industry-Institute Interaction, Seminars, and Expert Talks. We have Training and placement programme MoUs with GE-Healthcare (set up a Centre of Excellence at GITS), Thermax India Ltd., V2 Solutions Inc., for training, internship and placement support to our students ensuring industry-ready professionals and assured placements.

The department offers students insights on emerging technologies and advancements in the industry through National –Level Seminars, National-Level Workshops, Conferences and Expert Talks by inviting renowned experts to deliver expert lectures and presentations. These co-curricular and extracurricular activities help our students gain strong foothold not only in their respective discipline but in the holistic development of their understanding and personality. We endeavour to give an edge to our deserving and eligible students.

In the Academic year July 2019 to June 2020, the Career Development Centre conducted Seminars and Expert Talks by **Mr. Vinod Birla, VP-V2Solutions, Mr. Sanjay Sharma, VP- HR, Hindustan Zinc, Ms. Kavita Singh, CHRO – Vedanta Group, Mr. Shelendra Singh, AGM-HR, Nuvoco Vistas Corp. Ltd., Dr. NK Sharma, DGM-HRD & CSR, JK Tyre & Industries Ltd., Mr. Madhukar S Dubey, Founder & MD- Fusion Business Solutions (P) Ltd. etc.** With the aim to develop technical and aptitude skills, we organized additional training sessions for entrance exam preparations for GATE, SSB, CAT, etc. after college hours.

Intensive training was provided in personality development and in shaping their leadership qualities. Prior to placement drives, intense training was provided in areas like facing aptitude tests, group discussions and interviews laying emphasis on developing soft skills like communication, presentation, team working, and building positive attitude.

10-08-2018	<p>OBSERVE In 2012, when discussing our brand position—among ideas flowing in all directions, countless pizza deliveries, 4 AM brainstorming sessions, and the general excitement of a start-up—we found the most exciting feature of our work – it's the love for digital space. And to this day, we are inspired by online interactions and obsessed with sustainable results for our clients. Our days begin by looking beyond our screens and stepping into the digital world to connect with an infinite audience. In the last 6 years, we have practiced this art of engagement and learned, through experience, the different dimensions of online marketing and how tools and touchpoints can be brought together to reach prospects and present visible results. It is this obsession with results that we like to push the boundaries and create relevant spaces where real customers are engaged and attained. In an environment that fosters innovation and with a team that breathes in the digital world, we are here to take brands to the next level.</p> <ul style="list-style-type: none"> Package- 1.80 TO 2.40 LPA Placement- Ankit Jagan (CSE), Mukesh Nath (CSE), Vidit Meghwal (CSE)

27-12-2019	<p>OBSERVE In 2012, when discussing our brand position—among ideas flowing in all directions, countless pizza deliveries, 4 AM brainstorming sessions, and the general excitement of a start-up—we found the most exciting feature of our work – it’s the love for digital space.And to this day, we are inspired by online interactions and obsessed with sustainable results for our clients. Our days begin by looking beyond our screens and stepping into the digital world to connect with an infinite audience. In the last 6 years, we have practiced this art of engagement and learned, through experience, the different dimensions of online marketing and how tools and touchpoints can be brought together to reach prospects and present visible results.It is this obsession with results that we like to push the boundaries and create relevant spaces where real customers are engaged and attained. In an environment that fosters innovation and with a team that breathes in the digital world, we are here to take brands to the next level.</p> <ul style="list-style-type: none"> • Package-2.40 LPA • Placement- Aditi Jain (CSE),Khushboo Talreja (CSE),Tribhuvan Singh (CSE)

08-01-2020	<p>True to the name, Advaiya (“non-dual” in Sanskrit) is about oneness in apparent dichotomies, ending the dualities and divisions which restrain the technology’s potential. We consciously attempt to see beyond the divisions — different technologies, various applications, many business processes and, ultimately, the division of technology and business — to uncover the underlying oneness. We work to end the duality of business and technology, the duality in marketing and implementation, the duality of on-shore and off-shore, and so on. Technology is a great enabler of productivity, creativity, and effectiveness, but only if it is fully adopted. We work hard to understand our customers’ needs and pains to provide working solutions that maximize ROI and business impact. We offer MTS (Member Technical staff) that would be groomed into the different technologies likes Dot Net, EPM, Power BI, SharePoint and Dynamics.</p> <ul style="list-style-type: none"> • Job Profile: MTS (Member Technical staff) • Package: INR from Rs.2.72 to 3.5 Lacs Per Annum • Job Location: Udaipur Rajasthan • Placement- Himanshi Shrimali (CSE)
