Department of Computer Science and Engineering

Report

Title: Coding Battle

Category: Coding Event

Date: 14th November, 2024 (12:15 – 03:15 PM IST)

No. of Resource Persons: 3

No. of Participants: 90

Organizers: GDSC and Department of Computer Science.

Event Coordinator: Ms. Ruchi Vyas, Team GDSC GITS

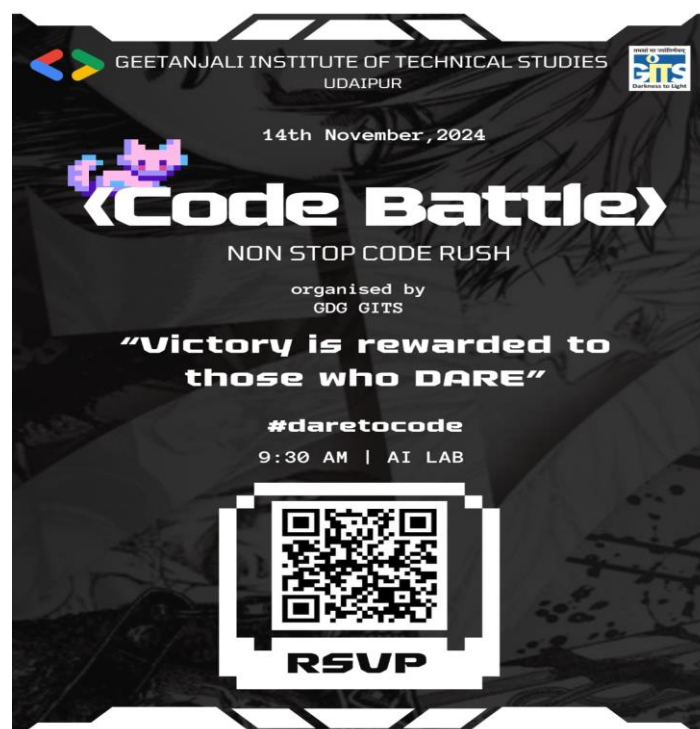

Jury Members : Kanika Garg Ma'am, Ritesh Jain Sir

Mode: Offline (AI Lab, CSE Department)

Guests : B.L. Jangid Sir (Finance Controller) , Arvind Pemavat Sir (CDC Head) , Mayank Patel Sir (HOD, CSE)

Objective: The Coding Battle aimed to challenge students to demonstrate their problem-solving skills and technical prowess in a competitive environment. It also provided a platform to showcase teamwork, domain expertise, and innovative thinking.

Inaugural Session:

The inaugural session of *Coding Battle* will commence at 12:15 PM with a warm welcome by the host, introducing the event and its significance. Ms. Ruchi Vyas, the Event Coordinator, will deliver the welcome address, highlighting the event's objectives and the collaboration between GDSC and the Department of Computer Science. Brief speeches by the guests of honor—B.L. Jangid Sir, Arvind Pemavat Sir, and Mayank Patel Sir—will follow, emphasizing the importance of coding and its impact. The host will then outline the event structure, rules, and introduce the jury members, Kanika Garg Ma'am and Ritesh Sir.

Event Brief : The event consisted of two rounds:

1. DSA Round:

Participants solved algorithmic and data structure-related problems, showcasing their analytical and logical abilities.

2. Development Round:

This was domain-specific, requiring participants to develop solutions based on a given theme or problem statement.

The event was an engaging and enriching experience for all participants, fostering innovation, collaboration, and competitive spirit.

Winners:

🏆 **1st Place:** Mohammed Saad, Mustak Khan, Irshad Alam – 🏆 You guys dominated both rounds and emerged as the ultimate CODE BATTLE champions!

🏆 **2nd Place (Team Null Pointers):** Swati Kunwar, Kushal Suthar, Soumya Parikh – 🏆 Excellent teamwork and some outstanding problem-solving skills! Well played, team!

3rd Place (Team Tech Coders): Vishvaraj Singh, Shourya Dev, Shubham Chouhan – 🏆 Incredible effort and strategy, securing a well-deserved podium finish!

Valedictory Session:

The Coding Battle concluded successfully with the declaration of winners and acknowledgments.

Outcome:

The Coding Battle was a tremendous success, achieving its goal of encouraging technical excellence and collaborative problem-solving among participants. The enthusiasm and skill displayed were commendable, and the event set a benchmark for future competitions.

We extend our heartfelt gratitude to the jury, esteemed guests, organizers, and all participants for making this event memorable and impactful.
