

# GITS NEWSTRACK

## ABOUT GITS

**G**eetanjali Institute of Technical Studies, popularly known as GITS, was established by Geetanjali Education Society in the year 2002-03. The institute is recognized by AICTE and Govt of Rajasthan and is affiliated to Rajasthan Technical University, Kota to provide technical and professional education to the youth in general and also the tribal people of the region in particular.

GITS has created a niche in the world of technical and management innovation. Our standard progression of delivering concepts of management, technical skills and computer application is a benchmark in the education industry. Not only we deliver, we are also trouble-shooters when it comes to support talent. We do not judge our height by meters because we have never stopped growing, the fineness of our work has always increased. We are neither behind the time nor ahead we just stay to be honest, we are masters in understanding "The Order of the Day".

VOLUME-V MAY 2025 ISSUE: XVI

**VISION** • To achieve excellence in technical and management education through quality teaching and innovation.

### MISSION

- To provide an excellent learning environment to produce socially responsible and productive technical professionals.
- To set up the state-of-the-art facilities for quality education and innovation.
- To impart knowledge & Skills leading to shaping a budding manager as a quality executive.
- To encourage for life-long learning and team-based problem solving through learning environment.

## FEATURES

- The First Self Financed Engineering College in Southern Rajasthan.
- Sixth ranked college in Rajasthan (GHRDC-CSR) for quality.
- Highest placements in Southern Rajasthan.
- Ideal teachers to student's ratio maintained as per AICTE norms.
- IBM Software Centre of Excellence- Training and Certification camp on DB2/RAD/TDS/RFT/Lotus/WID.
- Exclusive Innovation Lab for research work set up by Texas Instruments, Bangalore, as per Annexure-VIII.
- Highest Industry- Academic collaborations, National and International tie-ups for better exposure to technology and growth.
- Approved as Host Institute under the Business Incubation Scheme of MSME, Govt. of India.
- First Engineering College to get total admission filled every year in Udaipur region.
- Nodal Centre for NITTTR, Chandigarh for conducting the faculty and student development program.
- Only College Campus with Total Wi-Fi connection, Gym, Air cooled hostels for boys & girls and medical facilities.
- Spoken Tutorial – Open Source Software Tutorials – (IITB Spoken Tutorial).
- AICTE-IDEA Lab.
- Center of Innovation and Incubation.
- Business-Incubation Centre of MSME, Govt. of India.
- GDSC, TIER 1 & GITS Chapter.

## EFFORTS TOWARDS

### Unique Initiatives:

**CENTER FOR INNOVATION & INCUBATION**

**CENTER OF EXCELLENCE:** • INDUSTRIAL AUTOMATION  
• VIRTUAL & AUGMENTED REALITY  
• SUSTAINABLE BUILDING MATERIALS

STATE LEVEL WINNER:  **iSTART HACKATHON 2023**

ALL INDIA WINNER OF:  **SMART INDIA HACKATHON 2023**  **Agri India Hackathon**

# DIRECTOR'S MESSAGE

Greetings!

As we approach the end of the semester and the beginning of examinations, this month also marks the start of the admission season for the upcoming academic year. At GITs, we remain committed to the holistic development of our students. I'm pleased to see our community striking a commendable balance between academic excellence and active participation in co-curricular engagements such as expert talks, workshops, and value-added training sessions across departments.

A notable milestone this month was the signing of a Memorandum of Understanding (MoU) between GITs and the Airports Authority of India (AAI), Udaipur. This collaboration introduces a Civil Aviation Internship Program aimed at offering students practical exposure through airport visits, internships, and hands-on learning. It promises to bridge the gap between theoretical knowledge and real-world experience in aviation infrastructure.

Additionally, the Department of Computer Science and Engineering successfully organized an International Conference that showcased cutting-edge research in computer and information technology. These initiatives are part of our ongoing efforts to create enriching and innovative learning experiences that contribute meaningfully to education and society.

As exams draw near, I urge all students to embrace self-discipline and prepare with focus and resilience. Faculty members are always available for support and guidance. I am confident that our collective efforts will lead to remarkable academic outcomes and continued institutional growth.

Warm regards,

  
Director, GITs

**Dr. S. M. Prasanna Kumar**

**CAMPUS DIRECTOR**

## EXPERT TALK >>

**GEETANJALI INSTITUTE OF TECHNICAL STUDIES**  
(Affiliated to Rajasthan Technical University, Kota & Approved by AICTE, New Delhi)

**MS. ANKITA KHIMESRA**  
Sr. Consultant, Microsoft

**EXPERT TALKS**  
ON  
**AI AND CYBER SECURITY**

Thursday | 01:00 PM | 08<sup>th</sup> MAY | CSE Seminar Hall

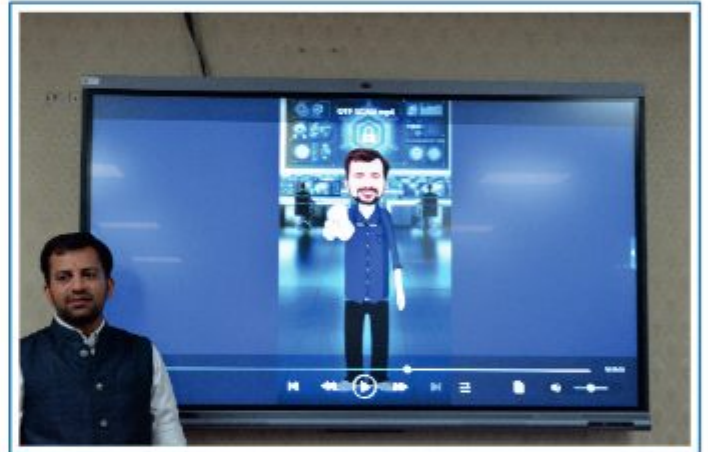

Department of Computer Science and Engineering (CSE) organised an Expert Talk by **Ms. Ankita Khimesra, Senior Consultant, Microsoft**, on **AI and Cyber Security** on May 8<sup>th</sup>, 2025 for Second Year students of CSE and AI. The Expert Talk aimed to raise awareness on leveraging AI responsibly in Cyber Security. The session highlighted the dual role of AI—as a powerful tool for enhancing threat detection, incident response, and security automation, and as a potential risk factor when misused in cyber-attacks. Through expert insights, the talk informed students and professionals about the current trends, challenges, and best practices at the intersection of AI and Cyber Security.

## EXPERT TALK >>

Department of Humanities and Science, GITS's UHV Cell, organized an expert talk on **"Breaking the Myth – Science Says No God"** on May 7<sup>th</sup>, 2025. **Dr. A. Raman** delivered a thought-provoking session, examining the concept of God from a scientific perspective. The talk was titled **"Rethinking Faith: Science Meets Spirituality"**.

Department of Computer Applications organized an Expert Talk on **"Advancements in Cyber Security"** by **Mr. Manas Trivedi (Cyber Expert & CEO, Rakshasutram Foundation)** for MCA and BCA students on May 7<sup>th</sup>, 2025. The session provided valuable insights into the latest trends, threats, and solutions in the field of cyber security.

Department of Computer Applications organized an Alumni Talk on **"Pathways to Possibilities: Insights for Future Tech Leaders"** on May 17<sup>th</sup>, 2025, featuring an inspiring session by our immensely talented alumnus, **Mr. Vivek Patidar, Software Engineer at GKMIT, Udaipur**. The session aimed to motivate students by sharing real-world experiences, career guidance, and insights into the tech industry.

# VALUE ADDED TRAINING >>

Department of Civil Engineering, GITS, organized a **one-week value-added training program on DGPS (Differential Global Positioning System) and Drone Surveying** for 3<sup>rd</sup> Year Civil Engineering students, held from 26<sup>th</sup> May to 31<sup>st</sup> May 2025. The training was led by **Mr. Sunil Kumawat, SK Surveyor**, and aimed to equip students with practical knowledge of modern surveying techniques, including high-precision mapping and aerial drone surveys.

Department of Electronics and Communication Engineering (ECE) organized a training session on STM for 1<sup>st</sup> Year ECE students, conducted by **Mr. Yash Yashnani** from **Volansys ACL Digital**. In addition to this, various internal training programs are regularly provided across different domains to enhance students' skills and industry readiness.

Department of Computer Applications organized a 10-day training program on **"AI & ML with Python"**, starting from April 28<sup>th</sup>, 2025, conducted by Ms. Preeti Sharma. The training was designed for MCA First Year students and was attended by approximately 25 students, aiming to enhance their skills in **Artificial Intelligence, Machine Learning, and Python programming**.

Department of Computer Applications organized a 4-day training program on **"Fundamentals of Blockchain and Smart Contracts"** starting from May 21<sup>st</sup>, 2025, conducted by **Ms. Preeti Sharma**. The training was designed for MCA students.

GITS Civil Engineering Department organized a 1-week training program on **"Multi-storeyed Building Planning, Analysis & Design"** from May 21<sup>st</sup>, 2025. Focus areas included structural analysis, building design, and construction planning.

## INDUSTRIAL VISIT >>

Department of Management Studies organized an Industrial Visit to **Daksh Mahindra Auto** on May 17<sup>th</sup>, 2025, as part of providing students with practical exposure to industry operations.

## WORKSHOP AND CONFERENCES >>

Department of CSE organised the **4<sup>th</sup> International Conference on Multi-Disciplinary Application & Research Technologies (ICMART-2025)** during 2<sup>nd</sup>–3<sup>rd</sup> May 2025. This conference aims to seamlessly integrate research across engineering, technology, and management, providing a unified platform for collaboration. It brought together research scholars from various fields to share their findings and innovative ideas.

Department of Computer Science and Engineering (CSE), in association with AWS Academy, organised a Workshop on **“Deploy Your Own Portfolio Website for Free with AWS”** on 24<sup>th</sup> May 2025 for CSE and AI Second and Third Year Students. The Workshop aimed to help students deploy their own portfolio websites using the AWS Free Tier safely and without any charges. Over 100 students successfully created and hosted their own websites on AWS.

# EVENTS AND ACTIVITIES >>

Department of Humanities and Science (GITS), proudly organized the **GITS Shining Stars – Student Excellence Awards 2025** on May 5<sup>th</sup>, 2025. The event recognized and rewarded outstanding students for their achievements in various fields, acknowledging their hard work and dedication. **Shri J.P. Agarwal, Chairman of Geetanjali Group**, presented the awards in the presence of **Dr. S.M. Prasanna Kumar, Director, GITS**, **Dr. P.K. Jain, Director MBA, GITS**, and **Mr. B.L. Jangir, Finance Controller, GITS**.

The following award categories were recognized:

1. **GITS International Ambassador**
2. **GITS Professional Success Medal**
3. **GITS Academic Dual Star**
4. **GITS NPTEL Domain Expert Award**
5. **GITS NPTEL Star Performer**
6. **GITS Sports Excellence Award**

This event celebrated the exceptional achievements of GITS students, making it a grand success.

## EVENTS AND ACTIVITIES >>

The Department of Management Studies at GITS hosted the "Summit of Success" to honor Manthan winners and 12<sup>th</sup>-grade toppers. The event celebrated academic excellence and inspired future leaders. By recognizing outstanding achievements, GITS aims to motivate students to strive for excellence. The ceremony was a platform for meritorious students to shine. It emphasized the importance of hard work and dedication. The event encouraged students to pursue their goals with passion. Faculty and peers applauded the winners' remarkable accomplishments. The summit was a testament to GITS' commitment to nurturing talent. It fostered a culture of recognition and appreciation. The event concluded with a renewed sense of purpose among students.

The Department of Management Studies at GITS launched its **BBA program** on May 24<sup>th</sup>, 2025. **Affiliated with MLSU**, the program offers a strong foundation in business and management. It focuses on developing leadership and entrepreneurial skills. The program is designed to equip students with industry-relevant knowledge. Experienced faculty will guide students through interactive learning sessions. The BBA program aims to nurture future business leaders. It provides a platform for students to explore their entrepreneurial potential. The program's curriculum is tailored to meet industry needs. Students will gain practical insights through case studies and projects. The launch marked a significant milestone for the Department of Management Studies.

Students of BCA and MCA at GITS installed a "Water Feeder for Birds" in the college garden campus on April 30<sup>th</sup>, 2025, on the occasion of **Akshay Tritiya**. The initiative promoted environmental awareness and reflected the students' commitment to compassionate and sustainable practices.

## AWARD AND RECOGNITION »

**Mr. Rakesh Jain**, Assistant Professor, ECE, received a design patent registration for the **"SMART TABLET DISSOLUTION APPARATUS"** from the Government of India. This innovative apparatus is expected to advance pharmaceutical research by providing more accurate and efficient testing of tablet dissolution, enhancing drug development processes.

**Ankit Parik**, a student of Dept. Management Studies IV Semester, was recognized by **Indxx Capital** for his exceptional efforts, dedication, and outstanding performance during his internship. He exceeded expectations by successfully completing more indexes than assigned, demonstrating strong analytical skills, time management, and a proactive approach.

## MoU »

**DEPARTMENT OF CIVIL ENGINEERING**  
**GITS PARTNERS WITH AAI FOR AVIATION INTERNSHIPS**

# Memorandum of Understanding (MoU)

with  
the

**KEY BENEFITS:**

- FIELD VISITS TO AIRPORTS WORKSHOPS AND INTERNSHIPS (4-20 WEEKS)**
- INTEGRATION OF THEORY AND PRACTICE HANDS-ON LEARNING**
- ACROSS DISCIPLINES SHORT-TERM PROJECTS IN AVIATION**

**Geetanjali Institute of Technical Studies (GITS)** and the **Airports Authority of India (AAI)**, Udaipur, signed a **Memorandum of Understanding (MoU)** to launch a Civil Aviation Internship Program. This initiative offers students valuable exposure through airport visits, workshops, internships, and real-world projects. The program is designed to bridge the gap between academic learning and industry experience in the field of airport infrastructure.

# PLACEMENT ACTIVITIES >>

**GEETANJALI INSTITUTE OF TECHNICAL STUDIES**  
(Affiliated to Rajasthan Technical University, Kota & Approved by AICTE, New Delhi)
