ABOUT GITS

The Geetanjali Institute of Technical Studies, popularly known as GITS was established by the Geetanjali Education Society in the year 2002-2003, recognized by AICTE, Government of Rajasthan, under the affiliation of Rajasthan Technical University, Kota, to provide Technical & Professional education to the youth in general and tribal people of the region. The endeavour of the GITS is to make higher education in the region more accessible and affordable to the economically weaker sections and the rural students and to create employment through higher education. It is one of the well known Institute of Rajasthan, with the focused objective of the group to provide quality professional education to the youth in the areas of Engineering, Management, and Computer Applications ensuring their all-round well integrated development in compliance with requisite industry standards. The institute has gone from strength to consolidating its position keeping pace with the latest industry trends and methods. It is flagship organization of 500 crores of Pacific Industry.

ABOUT INTERNATIONAL CONFERENCE ISET- 2025

International Conference ISET-2025 aim to create a dynamic and collaborative environment that promotes the advancement of engineering and technology knowledge on a global scale. This conference will provide an ideal platform to the students, researchers, industrialist and academicians to highlight the recent developments and to identify the emerging and future areas of the growth in the technological and science areas. It will also bring the newer and efficient techniques for optimizing the resources required by the industries. In addition, it will provide a strong base for Industry Academia Interaction.

The specific objectives of ISET-2025

Knowledge Dissemination • Networking • Interdisciplinary Collaboration • Problem-Solving
Promoting Innovation • Education and Skill Development • Industry-Academia Interaction
Future Directions

ABOUT SMART CITY UDAIPUR

Udaipur the "**Venice of the East**" is a mesmerizing city in Rajasthan, India, renowned for its enchanting lakes, grand palaces, and vibrant culture. Nestled amidst the Aravalli Hills, it boasts iconic landmarks like the majestic City Palace, serene Lake Pichola, and the romantic Jag Mandir. The Jagdish Temple showcases exquisite architecture, while the bustling markets offer traditional handicrafts and Rajasthani cuisine. A boat ride at sunset, with views of the Lake Palace and Jag Mandir, is unforgettable. Udaipur's regal heritage, coupled with its scenic beauty and warm hospitality, makes it a top tourist destination and a perfect blend of history.

THEME OF INTERNATIONAL CONFERENCE ISET-2025

FRONTIER AREA OF INNOVATION

- Internet of Things (IoT)
- Blockchain and Distributed Ledger Technology (DLT)
- Renewable Energy Technologies
- Circular Economy and Sustainable Design
- Human-Machine Collaboration

FRONTIER AREA OF SCIENCE

- Climate Science
- Artificial Intelligence and Machine Learning
- Quantum Computing
- Emerging Infectious Diseases

FRONTIER AREA OF ENGINEERING

- Robotics and Automation
- Smart Cities and Infrastructure
- Renewable Energy Engineering

- Aerospace Engineering
- Data Science and Engineering
- Environmental Engineering
- Advanced Power Electronics
- Energy Engineering
- Electric Vehicles

FRONTIER AREA OF TECHNOLOGY

- Artificial Intelligence (AI) and Machine Learning (ML)
- Augmented Reality (AR) and Virtual Reality (VR)
- 5G and Beyond
- Space Exploration and Aerospace Technology
- Sustainability
- Cybersecurity and Privacy
- Dynamics & Vibrations System
