**EXPERT-TALK ON**

**Science and Spirituality-  
Breaking the Myth: Science  
Says No God**

**07 MAY 2025**  
at 01:00 PM

**GITS Campus**

**DR. ALWAR RAMAN**  
Former ISRO Scientist

**Date:** Wednesday, 7 May 2025

**Venue:** CSE Seminar Hall, GITS campus

**Introduction:** An expert talk on the topic "Breaking the Myth - Science Says No God" was successfully organized on 7 May 2025 at CSE Seminar Hall, GITS campus. The session aimed to provide an in-depth understanding of the intersection between science and spirituality, challenging conventional beliefs while encouraging critical thinking.

**Objective:** The primary objective of the talk was to present a logical, evidence-based exploration of the concept of God through the lens of science, while fostering a healthy, open-minded dialogue among participants.

### Event Proceedings:

1. **Introduction and Welcome:** The event began with a warm welcome by the anchor, setting the tone for an engaging and intellectually stimulating session.
2. **Introduction of the Expert Speaker:** Dr.A.Rama, Former ISRO Scientist was introduced, highlighting their contributions in exploring the relationship between science and spirituality.

3. **Expert Talk:** The speaker presented a thought-provoking session that explored various scientific perspectives on the existence of God, discussed the role of science in understanding reality, and addressed common myths surrounding the concept of divinity.
4. **Q&A Session:** Following the talk, the audience actively participated in a question-and-answer session, seeking further insights and clarifications from the expert.

5. **Vote of Thanks:** The event concluded with a formal vote of thanks, expressing gratitude to the speaker, organizers, and participants for their enthusiastic involvement.
6. **Conclusion:** The expert talk on "Breaking the Myth - Science Says No God" successfully achieved its objective of fostering critical thinking and promoting a balanced understanding of science and spirituality. The session encouraged participants to explore new perspectives and reflect on their personal beliefs.

## **Expert Talk on Science and Spirituality Topic: Breaking the Myth - Science Says No God**

GITS UHV Cell organized an insightful expert talk on the topic "Breaking the Myth - Science Says No God" delivered by Dr. A. Raman on 7 May 2025. The session aimed to explore the relationship between science and spirituality, questioning conventional beliefs through scientific reasoning.

The primary objective was to foster critical thinking by examining the concept of God from a scientific perspective while promoting open-minded dialogue.

The event began with a warm welcome and a brief introduction of Dr. A. Raman by anchor, Amatullah, First Year Student.

Dr. A. Raman presented a thought-provoking session, highlighting scientific approaches to understanding the concept of God, supported by examples from physics and cosmology.

An interactive Q&A session followed, where participants engaged actively.

The session concluded with a vote of thanks, expressing gratitude to Dr. A. Raman for his expertise and to Dr.S.M.Prasanah Kumar, campus Director for his valuable guidance and support and to Finance Controller Mr.B.L.Jangid for extended financial support always.
