# GITS NEWSTRACK

ABOUT GITS

Geetanjali Institute of Technical Studies, popularly known as GITS, was established by Geetanjali Education Society in the year 2002-03. The institute is recognized by AICTE and Govt of Rajasthan and is affiliated to Rajasthan Technical University, Kota to provide technical and professional education to the youth in general and also the tribal people of the region in particular.

GITS has created a niche in the world of technical and management innovation. Our standard progression of delivering concepts of management, technical skills and computer application is a benchmark in the education industry. Not only we deliver, we are also trouble-shooters when it comes to support talent. We do not judge our height by meters because we have never stopped growing, the fineness of our work has always increased. We are neither behind the time nor ahead we just stay to be honest, we are masters in understanding "The Order of the Day".
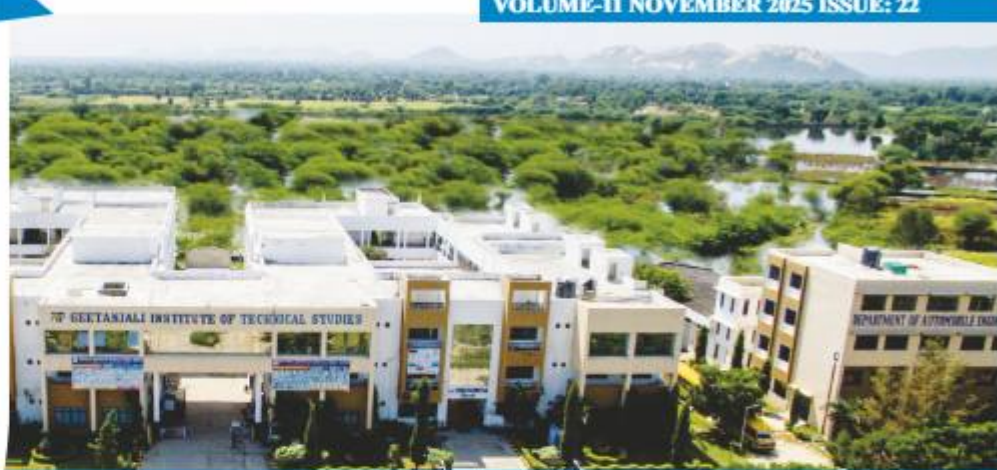

VISION → To achieve excellence in technical and management education through quality teaching and innovation.

MISSION

→ To provide an excellent learning environment to produce socially responsible and productive technical professionals.
→ To set up the state-of-the-art facilities for quality education and innovation.
→ To impart knowledge & Skills leading to shaping a budding manager as a quality executive.
→ To encourage for life-long learning and team-based problem solving through learning environment.

FEATURES

- The First Self Financed Engineering College in Southern Rajasthan.
- Sixth ranked college in Rajasthan (GHRDC-CSR) for quality.
- Highest placements in Southern Rajasthan.
- Ideal teachers to student's ratio maintained as per AICTE norms.
- IBM Software Centre of Excellence- Training and Certification camp on DB2/RAD/TDS/RFT/ Lotus/WID.
- Exclusive Innovation Lab for research work set up by Texas Instruments, Bangalore, as per Annexure-VIII.
- Highest Industry- Academic collaborations, National and International tie-ups for better exposure to technology and growth.
- Approved as Host Institute under the Business Incubation Scheme of MSME, Govt. of India.
- First Engineering College to get total admission filled every year in Udaipur region.
- Nodal Centre for NITTTR, Chandigarh for conducting the faculty and student development program.
- Only College Campus with Total Wi-Fi connection, Gym, Air cooled hostels for boys & girls and medical facilities.
- Spoken Tutorial – Open Source Software Tutorials – (IITB Spoken Tutorial).
- AICTE-IDEA Lab.
- Center of Innovation and Incubation.
- Business-Incubation Centre of MSME, Govt. of India.
- GDSC, TIER 1 & GITS Chapter.

EFFORTS TOWARDS

Student READY → **Industry READY** → **AI READY**

Unique Initiatives:

CENTER FOR INNOVATION & INCUBATION

CENTER OF EXCELLENCE: → INDUSTRIAL AUTOMATION → VIRTUAL & AUGMENTED REALITY → SUSTAINABLE BUILDING MATERIALS

STATE LEVEL WINNER: iSTART HACKATHON 2023

ALL INDIA WINNER OF: SMART INDIA HACKATHON 2023 | Agri India Hackathon

DIRECTOR'S MESSAGE

Greetings from GITS, Udaipur!

I am delighted to place infront of all stakeholders that, the wide spectrum of academic and co-curricular initiatives conducted across the institute during November 2025. The month has been marked by significant **departmental engagements, including expert talks, value-added training programs, workshops, industrial visits, and distinguished research contributions**. These initiatives have not only enriched the academic environment but also strengthened the professional competencies of our students.

Equally noteworthy was the successful organisation of **AARAMBH 2025 – the Freshers'** Program which extended warm welcome to the new batch with energy and enthusiasm. The event provided an engaging platform for students to showcase their talents and interact meaningfully with faculty and peers, thereby supporting their smooth integration into the GITS fraternity.

The observance of **Constitution Day** was conducted with solemnity and purpose, as students and faculty collectively reaffirmed their commitment to the guiding principles of the Indian Constitution through the reading of the Preamble and the pledge ceremony. Such events reinforce our shared responsibility to uphold democratic values and foster a sense of active citizenship within the academic community.

I am also pleased to note the commendable performance of our students in external academic forums, including international conference presentations, awards for research excellence, and selections for the **Smart India Hackathon 2025 Grand Finale.** The continuing contributions of our faculty, reflected through **expert lectures, scholarly activities, and dedicated mentorship**, further enhance the institute's academic distinction.

I extend my sincere appreciation to all departments for their coordinated efforts and unwavering commitment to maintaining high academic standards. I am confident that, with collective dedication and sustained academic rigor, GITS will continue to achieve new milestones in the months ahead.

Warm regards,

Director, GITS

Dr. S. M. Prasanna Kumar

EXPERT TALK »

Department of CSE organized an Expert Talk by **Mr. Ajay Singh** from **Amwimac Technologies Pvt. Ltd., Udaipur** on **AimeerAI** for II and III Year CSE(AI) students on 1st November 2025. The session aimed to introduce students to the concept of AimeerAI and discuss various internship opportunities in the field.

Department of CE organized an **Alumni Talk** on 3rd November 2025 through the Sanrachana Student Club, featuring **Ms. Jahnvi Sharma, Project Associate at IIT Roorkee**. She shared valuable career insights, discussed opportunities in the Civil Engineering domain, and inspired students with her professional journey and experiences.

EXPERT TALK »

Department of Computer Applications organized a lecture on **"Problem Solving through C Programming"** for BCA First Year students on 13th November 2025 at GITS Campus. **Dr. Chetan Mali** explained C programming fundamentals, algorithmic thinking, and effective coding practices.

Department of Management Studies organized a webinar on "Financial Awareness and Investment" by NSDL, featuring **Mr. Anil Verma** on 10th November 2025, to enhance participants' understanding of stock markets, investment rules, and financial discipline.

Department of Electronics and Communication Engineering organized an **Alumni Talk** on 1st November 2025, featuring **Ms. Lavina Sandhya** an esteemed alumna and Intel (MNC) employee, who shared valuable industry insights and inspired the students with her professional journey.

EXPERT TALK »   # FDP »

Department of Electronics and Communication Engineering organized an **Expert Talk** on 31st October 2025 on the topic **"The Solar and EV Revolution: A Sustainable Future"** delivered by **Mr. Dishant Jagetia, Director, Neoterix Private Limited** offering students valuable insights into emerging green and sustainable technologies.

Department of Management Studies organized a one-day **FDP** on **"Sufi Saint Rumi: Managerial Lessons"** by **Prof. P. K. Jain** on 29th November 2025, highlighting the importance of mindfulness, compassion, and purposeful leadership for holistic professional development.

VALUE ADDED TRAINING »

Department of Computer Applications organized a Pedagogy Session for the department faculty members on 4th October 2025. The session was conducted by **Ms. Shahnaz Khan** who introduced the topic **"Big Data and Its Evolution."**
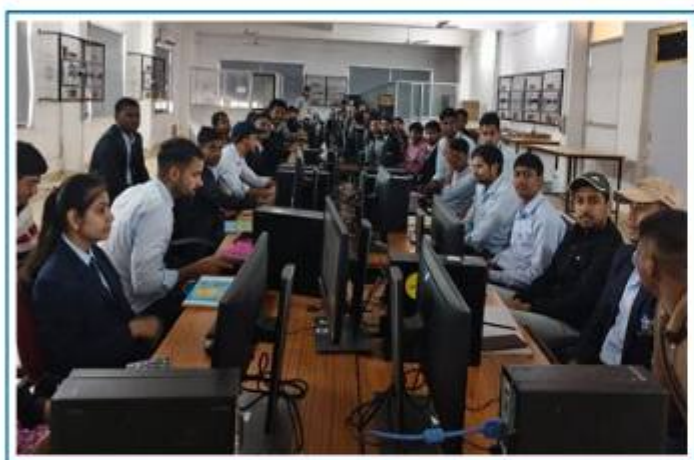

Department of EE organized a 10-day Value Added Training on **P-SPICE** and **MATLAB Coding** for B.Tech students, held from 20th to 29th November 2025 to enhance their practical understanding of circui1t simulation and computational analysis. The program equipped students with hands-on skills essential for modern engineering problem-solving and real-world technical applications.

Department of CSE organized a Training on **"Python Programming and its Libraries"** for II Year CSE and CSE(AI) students from 24th November to 4th December. The training aimed to strengthen Python fundamentals, enhance problem-solving skills, and equip students with hands-on experience in major Python libraries, enabling them to apply Python effectively in real-world and industry applications.

Department of Electrical Engineering organized a three-week Hands-on Practical Training on **Essentials of Electric Vehicles** for 13 B.Tech Electrical Engineering students from the 3rd and 5th Semesters, held at **TATA Indian Institute of Skills, Ahmedabad.**

VALUE ADDED TRAINING »

Department of CSE in association with the **Google Developer Group (GDG), GITS** organized **Google Cloud Study Jam 2025** for students on 13th November 2025. The session aimed to introduce students to the GDG community, create awareness about Cloud Study Jams, and encourage participation in the program while highlighting how it can strengthen their technical skills.

Department of Civil Engineering conducted a value-added technical training for 2nd year, 3rd-semester students from 20th to 29th November 2025, covering planning using **AutoCAD and surveying** with a Total Station. The training aimed to enhance students' technical skills and strengthen their practical understanding of key civil engineering tools and techniques.

Department of Electronics and Communication Engineering organized a training program on **Robotics** and **Embedded Systems** for 2nd year students, aimed at enhancing their practical skills and understanding of modern technological applications. The initiative provided students with hands-on exposure to real-time system development, fostering innovation and technical confidence.

Department of Mechanical Engineering in association with **Krishwave** is organizing a Student Training Programme on Advanced **Solid Modeling & Design using SolidWorks** during 22nd November to 3rd December, 2025. To Gain proficiency in SolidWorks, create 3D models, detailed drawings, basic simulations, and develop a mini project to strengthen portfolio and placement chances.

EVENTS AND ACTIVITIES »

Department of Computer Science & Engineering organized a **Poster Competition** on the theme **"Software Engineering"** for II Year CSE and CSE(AI) students on 19th November 2025. The objective was to encourage students to creatively explore and visually present key concepts, models, and innovations in the field of software engineering.

EVENTS AND ACTIVITIES ≫

Department of Computer Applications organized a Pedagogy Session for faculty on 1st November 2025 conducted by **Ms. Vinita Nagda** on **"LLM Architecture and Generative AI."** The session introduced the fundamentals of LLMs, their integration with Generative AI, and their applications in modern education for enhanced learning, promoting innovation in teaching practices.

GITS participated in the **IIC Regional Meet 2025** at **Vivekananda Global University, Jaipur** where **Mr. Latif Khan** and **Dr. Vijendra Kumar** represented the institute on 25th December 2025. The event included inaugural sessions, best practice sharing, startup exhibitions the Swadeshi Udyami Bazaar, Innovation Ambassador ToT sessions and valuable mentoring from ecosystem experts.

Department of Management Studies celebrated **National Education Day** on 11th November 2025, honoring the birth anniversary of **Maulana Abul Kalam Azad** and emphasizing the importance of education, nation-building and youth empowerment.

GITS proudly announces that 20 students presented their research papers at the **BIZ-SMART 2025 International Conference** held at **SPSU, Udaipur.** The event featured distinguished speakers from India, UAE, Oman, Malaysia, Italy, and Thailand, offering a global platform for learning. Our students won the Best Paper Award, adding a significant achievement to GITS' academic excellence. Special appreciation goes to faculty mentors **Mr. Latif Khan** and **Mr. Vijendra Kumar Maurya** for their valuable guidance and support.

EVENTS AND ACTIVITIES »

GITS proudly announces that **Team DEEP SIGHT** has been shortlisted for the **Smart India Hackathon 2025 – Hardware Edition Grand Finale at Bannari Amman Institute of Technology, Tamil Nadu,** from 8th to 13th December 2025. Their innovative project **"LoRa Technology for Precise Body Detection in Collapsed Structures,"** addresses a vital real-world challenge. The team comprises **Md. Furqan, Rehan Raza, Shadab Khan Pathan, Bhupesh Nagda, Nizba Khan, and Hrinkar Bothra,** guided by mentor **Latif Khan, GITS** congratulates the team for their creativity and dedication and wishes them success in the Grand Finale.

Team Vision Vigil from GITS, Udaipur has been shortlisted for the **Smart India Hackathon 2025 – Hardware Edition Grand Finale** for their innovative solution, **"Development of a System to Enhance Mobility and Safety of Visually Impaired Persons."** The hard work and creativity of team members **Pratap Singh Naruka, Rizwan Shah, Mugdh Mathur, Mohit Joshi, Eshasvi Soni, and Vinod Gawariya** have truly paid off. Mentors **Latif Khan** and **Dr. Vijendra K. Maurya** are proud of this remarkable achievement. Wishing the team the very best for the Grand Finale at **G.L. Bajaj Institute of Technology & Management, Delhi** from 8th to 12th December, 2025.

The campus celebrated Constitution Day on 26th November with enthusiasm, beginning with an inspiring address by the Director on the importance of constitutional values. Dr. Radha Chaudhary led the Preamble reading, followed by a pledge ceremony reaffirming commitment to constitutional ideals. First-year students also took the pledge in their classrooms under the lead of their Class Representatives, and the program concluded with the National Anthem.

EVENTS AND ACTIVITIES »
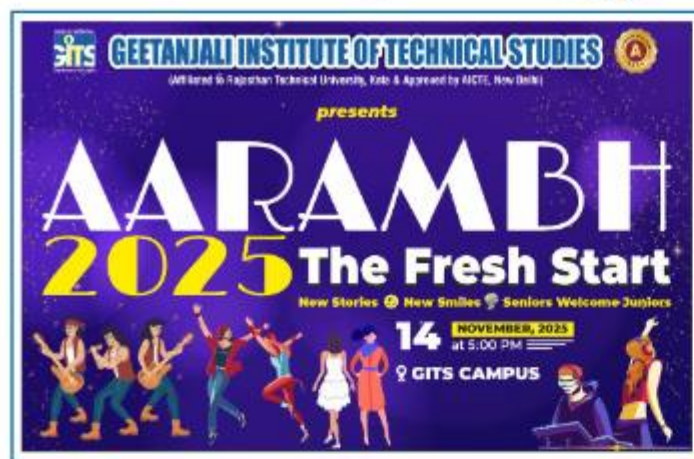

AARAMBH 2025 the **Freshers' Program** for the **2025–26 Batch** was held on 14ᵗʰ November 2025 with great enthusiasm, beginning with lamp lighting, Ganesh Vandana, and lively performances such as band acts, drama, poetry, ramp walk, and talent rounds judged by **Mr. Atharva Joshi** and **RJ Himanshu Jain**. Inspirational welcome addresses were delivered by **Dr. S. M. Prasanna Kumar (Director, GITS)** and **Dr. P. K. Jain (Director MBA)**. The event concluded with winner announcements—**Mr. Fresher (UG): Hardik Jangid, Ms. Fresher (UG): Ayushi Jain, UG Runners-up: Tanish Hinger & Bhavika Kumawat, Mr. Fresher (PG): Himanshu Paliwal, Ms. Fresher (PG): Saloni Bhootda, PG Runners-up: Akshat Karoli & Khushi Mehta** followed by a delightful dinner, creating a memorable start for the new batch.

INDUSTRIAL VISIT »

Department of Civil Engineering organized an **industrial visit** for III-semester students to the **Geology Department at MLSU, Udaipur,** on 1ˢᵗ November 2025. The visit provided hands-on exposure to rocks, minerals, and modern engineering geology trends. Guided by **Dr. Niranjan Mohanty** and **Dr. Ritesh Purohit,** Head of the Geology Department, the session offered valuable practical learning and real-world geological insights for the students.

Department of Management Studies organized a **"Joy of Giving"** outreach visit to **Sanskrit Government School, Medta Village,** on 17ᵗʰ November 2025, celebrating the spirit of **Children's Day** by spreading joy through activities and gifts, while fostering a sense of social responsibility among management students.

WORKSHOP »

Department of MCA organized a Workshop on **"Web3 & Blockchain"** on 10th November 2025 at the CSE Seminar Hall, GITS Campus, hosted by **Mr. Anirudh Singh Chouhan** and **Mr. Jatin Sahijwani**, co-founders of **HackTour India** and **12x Hackathon winner**.

Department of Computer Applications organized an insightful workshop titled **"IT Skills for BCA Students – Uses of MS Office, Google Sheets, Resume Building & Soft Skills for Career Success"** on 12th November 2025 at the MCA Seminar Hal

AWARD AND RECOGNITION »

Prof. (Dr.) Harshita Shrimali, **HOD, Department of Management Studies,** served as a Session Chair at the **International Conference on BIZ-SMART-2025** organized by **Sir Padampat Singhania University, Udaipur,** on 21st to 22nd November 2025.

Mr. Rakesh Jain, Assistant Professor, ECE, conducted a 5-day (15-hour) value-added training program on **P-SPICE software** for the students of Electrical Engineering at GITS, enhancing their circuit simulation and analysis skills.
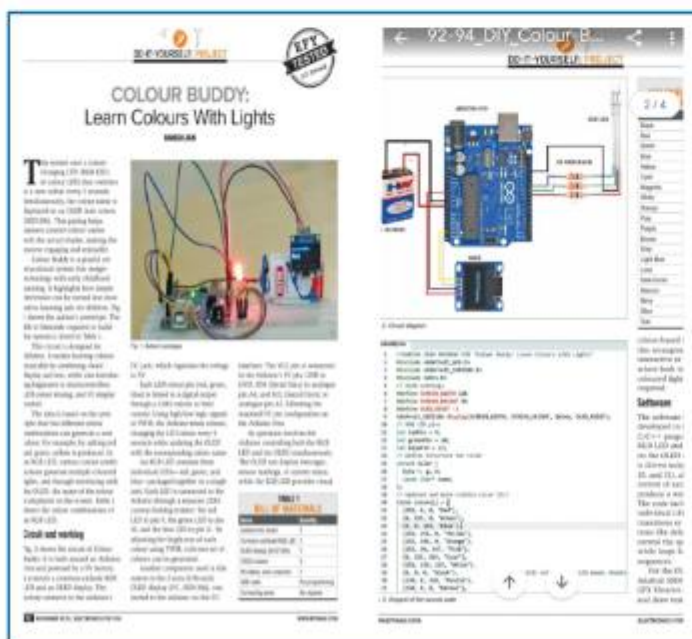

Mr. Rakesh Jain, Assistant Professor, ECE, had his project titled **"Colour Buddy – Learn Colour with Lights"** published in India's leading electronics magazine, EFY – Electronics For You, showcasing innovative learning through light-based color concepts.

INTERNATIONAL CONFERENCE ≫

Department of Civil Engineering, GITS organized the **1st International Conference** on **Interdisciplinary Global Research in Adaptation, Transformation & Engineering (Integrate 2025)** from 14th to 15th November 2025, providing a global platform for knowledge exchange and multidisciplinary research discussions.

SPORTS ≫

In the **RTU Intercollege Cricket Tournament**, **GITS** Udaipur delivered an impressive performance by defeating **Poornima College,** Jaipur to secure a place in the semifinals. GITS will now face SKIT, Jaipur in the semifinal match
