ABOUT GITS

Geetanjali Institute of Technical Studies, popularly known as GITS, was established by Geetanjali Education Society in the year 2002-03. The institute is recognized by AICTE and Govt of Rajasthan and is affiliated to Rajasthan Technical University, Kota to provide technical and professional education to the youth in general and also the tribal people of the region in particular.

GITS has created a niche in the world of technical and management innovation. Our standard progression of delivering concepts of management, technical skills and computer application is a benchmark in the education industry. Not only we deliver, we are also trouble-shooters when it comes to support talent. We do not judge our height by meters because we have never stopped growing, the fineness of our work has always increased. We are neither behind the time nor ahead we just stay to be honest, we are masters in understanding "The Order of the Day".

DIRECTOR'S MESSAGE

Greetings from GITS, Udaipur!

December 2025 has been a month of significant academic progress, innovation, and holistic development at the **Geetanjali Institute of Technical Studies**. I am proud to witness our students and faculty actively participating in **academic excellence, research initiatives, entrepreneurship, industry engagement, and sports activities**, reflecting our institution's strong commitment to outcome-based education.

The successful organization of **faculty development programs, training initiatives, conferences, industrial visits, and leadership events** demonstrates our continuous efforts to bridge the gap between academics and industry. Achievements such as the **Smart India Hackathon 2025 victory, NPTEL Star recognitions, inter-university sports selections, and student participation in national and international platforms** highlight the talent, dedication, and perseverance of the GITS community.

I extend my heartfelt congratulations to all students, faculty members, and coordinators for their commendable contributions. Let us continue to move forward with the same enthusiasm and determination to strengthen GITS as a hub of **innovation, skill development, and global excellence**.

Warm regards,

Director, GITS

Dr. S. M. Prasanna Kumar
