

GITS NEWSTRACK

ABOUT GITS

Geetanjali Institute of Technical Studies, popularly known as GITS, was established by Geetanjali Education Society in the year 2002-03. The institute is recognized by AICTE and Govt of Rajasthan and is affiliated to Rajasthan Technical University, Kota to provide technical and professional education to the youth in general and also the tribal people of the region in particular.

GITS has created a niche in the world of technical and management innovation. Our standard progression of delivering concepts of management, technical skills and computer application is a benchmark in the education industry. Not only we deliver, we are also trouble-shooters when it comes to support talent. We do not judge our height by meters because we have never stopped growing, the fineness of our work has always increased. We are neither behind the time nor ahead we just stay to be honest, we are masters in understanding "The Order of the Day".

VOLUME-04 FEBRUARY 2026 ISSUE 02

VISION → To achieve excellence in technical and management education through quality teaching and innovation.

MISSION

- To provide an excellent learning environment to produce socially responsible and productive technical professionals.
- To set up the state-of-the-art facilities for quality education and innovation.
- To impart knowledge & Skills leading to shaping a budding manager as a quality executive.
- To encourage for life-long learning and team-based problem solving through learning environment.

FEATURES

- The First Self Financed Engineering College in Southern Rajasthan.
- Sixth ranked college in Rajasthan (GHRDC-CSR) for quality.
- Highest placements in Southern Rajasthan.
- Ideal teachers to student's ratio maintained as per AICTE norms.
- IBM Software Centre of Excellence- Training and Certification camp on DB2/RAD/TDS/RFT/Lotus/WID.
- Exclusive Innovation Lab for research work set up by Texas Instruments, Bangalore, as per Annexure-VIII.
- Highest Industry- Academic collaborations, National and International tie-ups for better exposure to technology and growth.
- Approved as Host Institute under the Business Incubation Scheme of MSME, Govt. of India.
- First Engineering College to get total admission filled every year in Udaipur region.
- Nodal Centre for NITTTR, Chandigarh, for conducting the faculty and student development program.
- Only College Campus with Total Wi-Fi connection, Gym, Air cooled hostels for boys & girls and medical facilities.
- Spoken Tutorial – Open Source Software Tutorials – (IITB Spoken Tutorial).
- AICTE-IDEA Lab.
- Center of Innovation and Incubation.
- Business-Incubation Centre of MSME, Govt. of India.
- GDSC, TIER 1 & GITS Chapter.

EFFORTS TOWARDS

Unique Initiatives:

CENTER FOR INNOVATION & INCUBATION

CENTER OF EXCELLENCE: → INDUSTRIAL AUTOMATION
 → VIRTUAL & AUGMENTED REALITY
 → SUSTAINABLE BUILDING MATERIALS

STATE LEVEL WINNER: **iSTART HACKATHON 2023**

ALL INDIA WINNER OF: **SMART INDIA HACKATHON 2023** **Agri India Hackathon**

DIRECTOR'S MESSAGE

Greetings from GITS, Udaipur!

It gives me immense pleasure to share the vibrant academic and co-curricular initiatives undertaken at GITS during the month of February 2026. Our institution continues to foster a culture of innovation, learning, and excellence through a variety of expert talks, workshops, industrial visits, competitions, and student achievements.

This month witnessed several enriching expert sessions on emerging domains such as Artificial Intelligence, Intellectual Property Rights, entrepreneurship, and climate awareness, enabling our students to gain valuable insights beyond the classroom. Departments also organized hands-on training programs in advanced tools like Revit Architecture, STAAD Pro, SolidWorks, AutoCAD, and Microsoft Excel, strengthening the practical and industry-oriented skills of our students.

I am particularly proud of our students for their remarkable achievements in national competitions, hackathons, entrepreneurship events, and sports activities. Their dedication and creativity reflect the strong academic environment and mentorship provided by our faculty.

Industrial visits and awareness programs organized across departments have further helped bridge the gap between theoretical knowledge and real-world applications.

I congratulate all students and faculty members for their continuous efforts in making GITS a hub of academic excellence, innovation, and holistic development. I encourage everyone to keep striving for excellence and contributing meaningfully to society and the nation.

Warm regards,

Director, GITS

Dr. S. M. Prasanna Kumar

BE PART OF THIS HISTORIC CELEBRATION OF INDIA'S SPACE LEGACY!

GITS Udaipur invites you to celebrate 50 Years of India's first satellite, Aryabhata, with eminent scientists from the Indian Space Research Organisation on February 2 & 3, 2026, at the GITS Campus, Dabok.

EVENTS AND ACTIVITIES >>

Department of ECE organized a **Standard Writing / Slogan Writing** competition under the aegis of the Bureau of Indian Standards (BIS) through BIS Club No. **SC-4881**, where students participated enthusiastically. The event aimed to create awareness about standards and quality, encouraging students and consumers to make informed choices such as preferring **ISI-marked products and Hallmark-certified gold**.

Department of ECE organized a **BIS Standard Poster Making Competition** under the Bureau of Indian Standards (BIS) Club SC-4881, where students participated enthusiastically to highlight the **importance of standards and quality**, promoting awareness about **ISI-marked products and Hallmark certification** while encouraging **responsible consumer practices**.

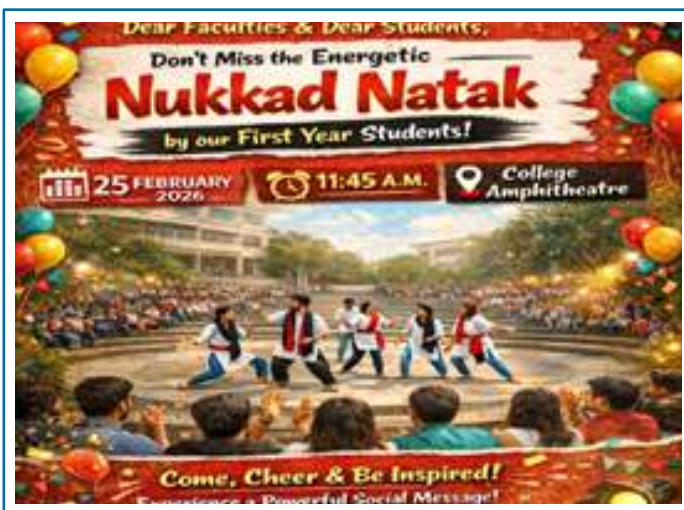

Department of Electrical Engineering organized an **Entrepreneurship Awareness Program (EAP)** in collaboration with the Ministry of Micro, Small and Medium Enterprises, Government of India. The session featured insights from **Mr. Ganesh M., Mr. Purvabh Surana, and Mr. Pulkit Singh**.

Department of Management Studies organized a workshop on **“Effective Sales and Marketing Strategies for Start-Ups”** on **13 February 2026**, featuring an insightful session by **Dr. Sangeeta Chaudhary** for aspiring management students and future entrepreneurs.

EVENTS AND ACTIVITIES >>

Department of Humanities and Science celebrated National Science Day 2026 under the theme "Engineering the Future with Science." A Poster Presentation Competition on "Innovation for a Better Tomorrow" showcased student ideas on Artificial Intelligence, Green Technology & Sustainability, and Engineers' role in Nation Building.

Department of Humanities and Science organized a Nukkad Natak (street play) by First Year students at the College Amphitheatre on 25 February 2026 on the theme "Addiction of Mobiles – Pros and Cons", creating awareness about the effects of excessive mobile usage through an engaging performance.

AWARD AND RECOGNITION >>

Team DEEPSIGHT from GITS won First Prize at the Shankara Global Hackathon 2026 – Innovation & Startup Competition, competing against 200+ teams and securing a cash prize of ₹33,333 with the event graced by Hon'ble Governor of Himachal Pradesh, Shri Shiv Pratap Shukla, as Chief Guest.

Ms. Umang Pahuja has been selected as one of the Top 10 Google Student Ambassadors in India to represent the community at the global stage. She interacted with Sundar Pichai, CEO of Google and Alphabet Inc., on 18 February 2026.

Khushi Mehta and Sapna Mishra, MBA students, showcased remarkable enthusiasm at the “Uniquiest” Inter-College Fest held on 13 February at Pacific College where Sapna Mishra secured Second Position in Face Painting and Khushi Mehta secured Third Position in Solo Dance.

Dr. Kiran Soni, Associate Professor in the Department of Management, was honored as the Chief Guest at the “SAGE Shiksha Aapke Dwar Abhiyan”, organized by SAGE University Indore on 24 February 2026. On this occasion, she shared her valuable insights on the importance of quality education and its role in shaping the future of youth.

GITS shined at the EDI Pitching Summit 2026 held at Sir Padampat Singhania University (SPSU), where Team NextGen secured Winner, Team TechFusion achieved First Runner-Up, and Team Code N Circuit was also selected, with three teams advancing to the Entrepreneurship Development Institute of India (EDI), Ahmedabad for the next stage of the competition.

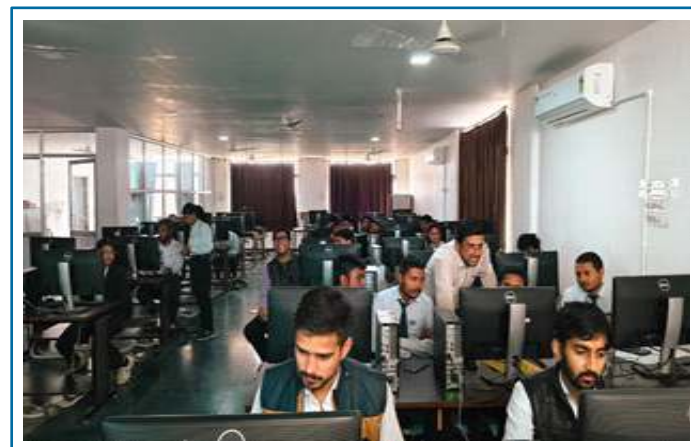

VALUE ADDED TRAINING >>

Department of CSE organized “Build Without Code: No-Code Innovation Challenge” on 5 February 2026 for students to promote innovation without traditional programming through no-code platforms, encouraging logical thinking, problem-solving, creativity, and digital innovation, while enhancing hands-on learning, teamwork, rapid application development, and presentation skills.

Department of Civil Engineering successfully organized a Revit Architecture Workshop on BIM (Building Information Modeling) for residential building planning and drafting from 9 February to 11 February 2026, aimed at enhancing students’ technical skills by introducing modern BIM workflows and digital building modeling techniques used in the construction industry.

Department of Civil Engineering successfully organized a Training Programme on STAAD Pro software for III Year students from 16 to 19 February 2026, aimed at enhancing their knowledge and practical skills in structural analysis and design. The programme provided hands-on experience and valuable insights into industry-relevant tools, helping students strengthen their technical competencies and prepare for real-world engineering challenges.

Department of Civil Engineering organized a training session on Microsoft Excel for IV Semester students on 24 February 2026, conducted by Ms. Chelsi Sen, Assistant Professor, Department of CSE, focusing on data management, spreadsheet operations, formulas, and data analysis with applications in quantity estimation, project scheduling and report preparation.

Department of Mechanical Engineering organized a hands-on session on 10 February 2026 to provide practical exposure to Solid Works and AutoCAD. The session focused on introducing students to basic design commands and tools used in CAD software. Students actively engaged in creating their first CAD models, enhancing their understanding through real-time practice.

INDUSTRIAL VISIT >>

Department of ECE organized an industrial visit to Secure Meters Pvt. Ltd. under the Bureau of Indian Standards (BIS) Club SC-4881, where 47 students from ECE, CSE, EE, and ME branches learned about the manufacturing process of Smart Energy Meters, including advanced technologies, automated production, and quality control, gaining valuable industry exposure and understanding of standards and real-world industrial practices.

Department of Electrical Engineering organized an industrial visit for III-year students to Power System Engineering, Udaipur, on 16 February 2026, providing practical exposure to power system operations and industry practices and helping students connect theoretical knowledge with real-world electrical engineering applications.

On the occasion of National Science Day, the Department of Mechanical Engineering organized an industrial visit to MSME Development Institute, Udaipur. Students gained practical exposure to mechatronics systems, MSME grants & schemes, CNC and VMC machining, multi-DOF pick-and-place robots, and PLC & SCADA systems, making it a highly informative and industry-oriented learning experience.

SPORTS >>

Students of GITS excelled at the **Annual Sports Fest (20 – 26 February)** hosted by Sir Padampat Singhania University, **winning Chess (Men)** and **securing Runner-up positions in Table Tennis (Men), Chess (Women), and Basketball (Men)**. The event was graced by the GITS Director as Chief Guest, and a friendly football match between GITS and SPSU faculty teams further strengthened sportsmanship and institutional collaboration.
