## ABOUT GITS

**G**eetanjali Institute of Technical Studies, popularly known as GITS, was established by Geetanjali Education Society in the year 2002-03. The institute is recognized by AICTE and Govt of Rajasthan and is affiliated to Rajasthan Technical University, Kota to provide technical and professional education to the youth in general and also the tribal people of the region in particular.

**GITS** has created a niche in the world of technical and management innovation. Our standard progression of delivering concepts of management, technical skills and computer application is a benchmark in the education industry. Not only we deliver, we are also trouble-shooters when it comes to support talent. We do not judge our height by meters because we have never stopped growing, the fineness of our work has always increased. We are neither behind the time nor ahead we just stay to be honest, we are masters in understanding "The Order of the Day".

# DIRECTOR'S MESSAGE

Dear Students, Faculty, and Staff,

It gives me great pleasure to present the highlights of April 2026 at Geetanjali Institute of Technical Studies (GITS), Udaipur. The month was marked by a dynamic blend of academic excellence, technical learning, and social outreach through expert sessions, workshops, conferences, and student-led initiatives.

A key highlight was the outstanding performance of our students in TECHMANTHAN 2026 Hackathon, along with achievements in global platforms like IEEE YESIST12, reflecting their innovation, creativity, and problem-solving abilities. Various departments also organized industry-oriented workshops, industrial visits, and expert talks, strengthening the bridge between theoretical knowledge and practical application.

Initiatives by the UHV Cell and Women Cell promoted human values, environmental awareness, mental well-being, and financial literacy, encouraging students to become responsible and aware citizens. These activities collectively contribute to the holistic development of our students.

I commend our students and faculty for their dedication and achievements, and I am confident that GITS will continue to progress towards greater excellence and meaningful societal contributions.

Wishing you all the best for your exams and future endeavours.

Warm regards,

Director, GITS
