ABOUT GITS

The Geetanjali Institute of Technical Studies (GITS), popularly known as GITS, was established by the Geetanjali Education Society in the year 2002–2003. The institute is an Autonomous Institution, recognized by AICTE and the Government of Rajasthan, and is affiliated with Rajasthan Technical University (RTU), Kota. GITS was established to provide quality technical and professional education to the youth in general and to the tribal population of the region in particular. The endeavour of the GITS is to make higher education in the region more accessible and affordable to the economically weaker sections and the rural students and to create employment through higher education. It is one of the well known Institute of Rajasthan, with the focused objective of the group to provide quality professional education to the youth in the areas of Engineering, Management, and Computer Applications ensuring their all-round well integrated development in compliance with requisite industry standards. The institute has gone from strength to consolidating its position keeping pace with the latest industry trends and methods. It is flagship organization of 500 crores of Pacific Industry.

ABOUT INTERNATIONAL CONFERENCE ISET- 2026

International Conference ISET-2026 aim to create a dynamic and collaborative environment that promotes the advancement of engineering and technology knowledge on a global scale. This conference will provide an ideal platform to the students, researchers, industrialist and academicians to highlight the recent developments and to identify the emerging and future areas of the growth in the technological and science areas. It will also bring the newer and efficient techniques for optimizing the resources required by the industries. In addition, it will provide a strong base for Industry Academia Interaction.

The specific objectives of ISET-2026

- Knowledge Dissemination • Networking • Interdisciplinary Collaboration
- Problem-Solving Promoting Innovation • Education and Skill Development
- Industry-Academia Interaction • Future Directions

ABOUT SMART CITY UDAIPUR

Udaipur the "**Venice of the East**" is a mesmerizing city in Rajasthan, India, renowned for its enchanting lakes, grand palaces, and vibrant culture. Nestled amidst the Aravalli Hills, it boasts iconic landmarks like the majestic City Palace, serene Lake Pichola, and the romantic Jag Mandir. The Jagdish Temple showcases exquisite architecture, while the bustling markets offer traditional handicrafts and Rajasthani cuisine. A boat ride at sunset, with views of the Lake Palace and Jag Mandir, is unforgettable. Udaipur's regal heritage, coupled with its scenic beauty and warm hospitality, makes it a top tourist destination and a perfect blend of history.

THEME OF INTERNATIONAL CONFERENCE ISET-2026

"Sustainable Innovations and Emerging Technologies for a Smart, Green, and Resilient Future"

RENEWABLE ENERGY, SMART GRIDS & SUSTAINABLE POWER SYSTEMS

- Solar Energy & wind Energy Technologies
- Hydrogen Energy & Fuel Cells
- Smart Grids and Microgrids
- Energy Storage Systems

ELECTRIC VEHICLES, INTELLIGENT TRANSPORTATION & MOBILITY

- Electric Vehicle Technologies
- EV Charging Infrastructure
- Battery Management Systems
- Vehicle-to-Grid (V2G) Systems
- Sustainable Transportation Solutions

ARTIFICIAL INTELLIGENCE, COMPUTING & DIGITAL TECHNOLOGIES

- Artificial Intelligence and Machine Learning
- Data Science and Big Data Analytics

- Internet of Things (IoT)
- Cybersecurity and Blockchain
- Cloud, Edge and Quantum Computing

ADVANCED ENGINEERING, MANUFACTURING & INFRASTRUCTURE

- Industry 4.0 and Smart Manufacturing
- Robotics and Automation
- Civil and Smart Infrastructure
- Advanced Materials and Nanotechnology

INTERDISCIPLINARY INNOVATIONS FOR SUSTAINABLE DEVELOPMENT

- Environmental Engineering and Climate Action
- Biotechnology and Healthcare Technologies
- Water, Food and Agricultural Technologies
- Circular Economy and Waste Management

TOPICS TO BE DELIBERATED

Call For Papers: This is a Multi-Disciplinary Conference offering all the fields of Engineering and Technology related to Electrical, Mechanical, Civil, Computer Science, Electronics & Communication etc. but not limited to these. This conference will cover a wide range of topics in frontier areas of engineering & their articulation in Humanities and Social Science disciplines.

PAPER SUBMISSION GUIDELINES

Please upload the soft copy of your original and unpublished manuscript in the prescribed (.docx) format using the following link or scan the QR code for paper submission.

Paper can be submitted at the following link:
<https://forms.gle/MGkAJTWmPQYzxcDq5>

All papers submitted to the conference will be reviewed by the experts in relevant areas & reviews will be forwarded to the authors.

CONFERENCE PUBLICATIONS AND SUBMISSION FEE:

All accepted and presented papers will be published in the Conference Proceedings. After the peer-review and editorial review process, selected papers will be considered for publication in the reputed peer-reviewed Journal of Scientific and Engineering Research (JSAER) or the European Journal of Advances in Engineering and Technology (EJAET) (ISSN: 2394-658X), subject to the respective journal's publication policies and standards. An article processing/publication charge of ₹1,000 will be applicable for papers accepted for journal publication.

Publishing Partner and Indexing: Google Scholar, ResearchGate, Crossref, Internet Archive, and ROAD (Directory of Open Access Scholarly Resources).

IMPORTANT DATES

Last date for receiving the paper	:	25/09/2026
Intimation about acceptance of paper	:	05/10/2026
Camera - Ready Paper	:	12/10/2026
Conference Date	:	23-24 October, 2026
Mode of International Conference	:	Online/Offline
